scrolling="NO"></iframe>
```

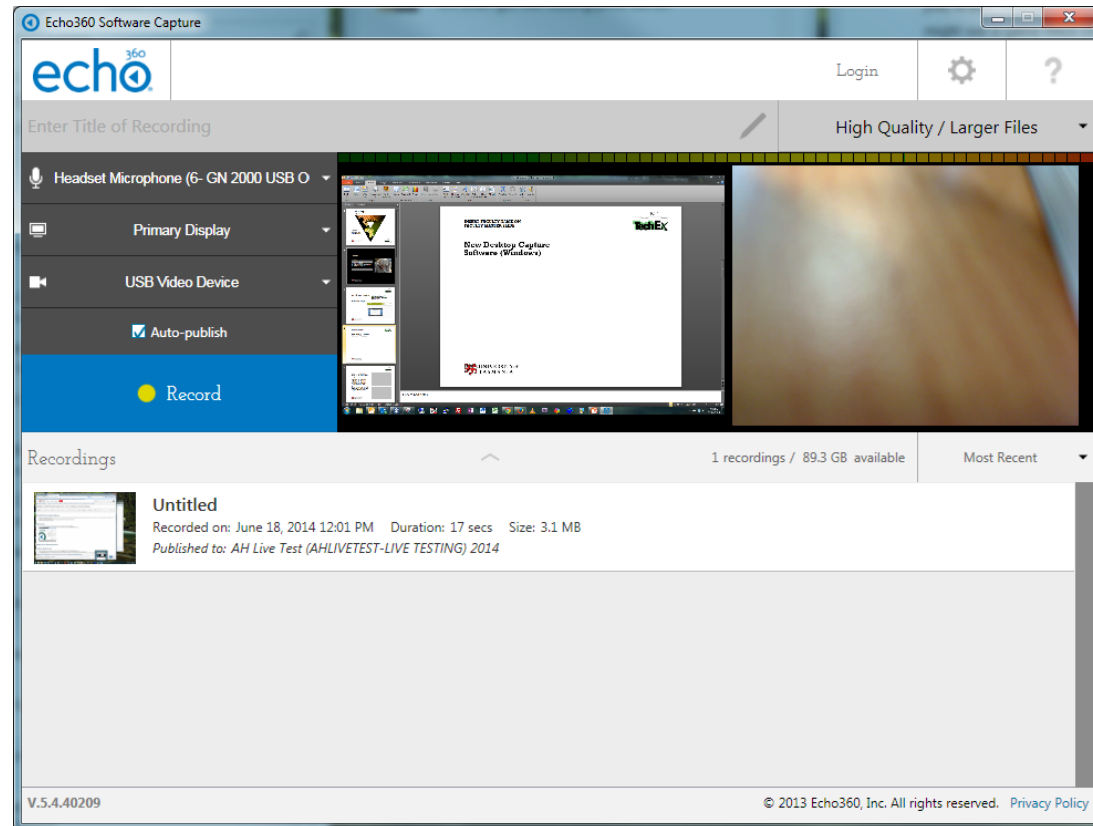

The screenshot displays a university LMS interface. At the top, there is a navigation bar with links for ePortfolio, Locker, IT Help, Library Help, Student Help, and Help. Below this is a green header with the UTAS logo and a 'MyLO' logo. A secondary navigation bar contains links for Content, News, Discussions, Dropbox, Quizzes, Grades, Groups, Other Tools, and Edit Unit. The main content area shows a breadcrumb trail: Table of Contents > Lectures and stuff > Lecture, yo. Below this, there is a video player titled 'Lecture, yo'. The video player shows a slide titled 'Week 13 - Lecture 13' with the following content:

- HGW413/615 Specialist Fields of Practice
- Week 13
- Unit Overview
- Moving
- Key me

The video player has a progress bar at the bottom showing 00:00:00 / 00:20:39. The interface also includes a 'Block...' button in the top right corner of the video player area.

New Desktop Capture Software (Windows)

New Touch Panel Controls (soon... ish)
