

Pathway/module selection form

Your name: _____

Please select at least TWO of these modules:

- Exploring the build view in MyLO
- Introduction to preparing and presenting content
- Introduction to communication: Tools & strategies
- Introduction to learning groups: Tools & strategies
- Introduction to assessment online

Suggested pathways

Teaching pathway

If your main priority at present is to teach online (rather than designing a new online course) then take the **Teach** pathway - by choosing these modules:

- **Introduction to communication: tools & strategies**
- **Introduction to learning groups: tools & strategies**
- **Introduction to assessment online.**

Design pathway

If your main priority at present is to design/re-design an online course then take the **Design** pathway - by selecting:

- **Exploring the build view in MyLO**

And then select at least **one** of these modules:

- **Introduction to communication: tools & strategies**
- **Introduction to assessment online.**

Please hand this back to one of the facilitators, or mail to CALT, Private Bag 133, Hobart.

Note: online access to these modules may take a day or two.
