Parents & Educators This is for you!

Join us for this celebration of children's art purchased by the Northern Children's Network for their collection from the annual "Art Tastic" event held each year in Children's Week.

Professor Susan Wright's commentary at the exhibition and public lecture will show why she is considered an international expert on children's learning in and through the arts.

NCN and the UTas School of Education proudly present this opportunity to learn more about children's art, and its value in all our lives. There will be an opportunity for Q&A with Susan at the lecture.
