| **Tuesday 6 July** | Follow up session after NVivo workshop  
**Presenter: Dr Peter Orpin** | - This workshop is to follow to the Qualitative Data Coding and NVivo workshops held in May-June. The focus will be on working through practical issues encountered in applying your learning from these workshops to your own work. It is not designed as an advanced NVivo workshop but rather to deal with problems and issues that arise in using the basic NVivo coding functions.  
- Workshops will be limited to a maximum of five participants all of whom should be actively engaged in qualitative analysis using NVivo. | - All RHDs | **Kim.Izard@utas.edu.au** |
| **Tuesday 20 July** | Introduction to Systematic Review | - This seminar introduces | | **Kim.Izard@utas.edu.au** |

**Note:** These sessions are subject to change. Regular update emails will be sent in advance.

**BN** – Bachelor of Nursing  
**RHD** – Research Higher Degree  
**PHCREDS** – Primary Health Care Research, Evaluation and Development  
**RH** – Rural Health  
*compulsory for BN honours students  
Items highlighted in blue are only applied to Rural Health RHD candidates.
