## – degree planner

### START HERE .....

The idea of this course plan is to give you a quick run down of how the degree works and what you need to do to complete it. Once you understand what is required you can use the blank course plan overleaf to keep track of your progress.

Importantly, please note that semester based units are weighted at 12.5% (unless otherwise specified) and any full-year units at 25%.

To complete the BSocSc degree, you must pass 100% of units at each of level 100, 200 and 300 (meaning first, second & third year), together with two majors from the following list: Sociology, Human Resource Management, Political Science, Public Policy, Psychology.

A major means sequential units in one discipline totalling 125% (normally 25% at level 100, and 100% over level 200/300). Compulsory units exist within the HRM, Psychology, Sociology majors.

**100% of first year units** - made up of 75% min of units from Schedule A, plus 25% of units from either Schedule A or elective units.

PLUS

**100% of second year units** - made up of 50% (4 x 12.5%) of units from one discipline for your FIRST MAJOR, plus 50% of units from another discipline for your SECOND MAJOR.

PLUS

**100% of third year units** - made up of 50% of units from the same discipline to complete for your FIRST MAJOR, plus 50% of units from the same discipline to complete your SECOND MAJOR.
