

Bachelor of Arts-Bachelor of Science – degree planner

START HERE

The idea of this course plan is to give you a quick run down of how this degree works and what you need to do to complete it. Once you understand what is required you can use the blank course plan overleaf to keep track of your progress.

Importantly, semester based units are weighted at 12.5% (unless otherwise specified). Full year units are weighted at 25%.

To complete the BA-BSc degree, you must pass a total of 400% of units, or 100% of units in each year of the four year degree.

In the Bachelor of Arts component you will complete 200% of units comprising:

- 50% of first year units (level 100) from the BA schedule of units
- 50% of second year units (level 200)
- 50% of second/third year units
- 50% of third year units (level 300)
- and within the 200% of units, you must complete the requirements for at least one major (though there is room for two majors).
- A major (or specialisation) is made up of sequential units in one discipline, eg, German, comprising 25% of (German) units at level 100 (first year units) + 75%min-125%max of (German) units over level 200/300 (second/third year units).

In the Bachelor of Science component you will complete:

- At least 50% from Group 1 (first year) units listed in Schedule B which includes a combination of 25% as determined by two different subject areas;
- At least 50% from Group 2 (second year) units listed in Schedule B which includes a combination of 25% as determined by two different subjects areas;
- 50% of Group 3 (third year) units listed in Schedule B, as determined by one subject area; and
- 50% comprising a maximum of 25% from Group 1 units, a maximum of 25% from Group 2 units or a maximum of 50% from Group 3 units of the BSc schedule.
