

Bachelor of Arts-Bachelor of Business – degree planner for students starting 2006.

START HERE

The idea of this course plan is to give you a quick run down of how this degree works and what you need to do to complete it. Once you understand what is required you can use the blank course plan overleaf to keep track of your progress.

To complete the BA-BBus degree, you must pass a total of 32 units, or 8 units in each year of the four year degree. You are not permitted to take units from another degree for either the BA or BBus components.

In the Bachelor of Arts component you will complete 16 units comprising:

- 4 x 12.5% 100 level units or 2 pairs from the BA schedule of units'
- 6 x 12.5% 200 level units, normally taken over your second and third year of study;
- 6 x 12.5% 300 level units, normally taken over your third and fourth year of study;
- and within the 16 units you must complete the requirements for at least one major (though there is room for two majors).
- A major (or specialisation) is made up of sequential units in one discipline, eg, History, comprising 2 units at level 100 (first year units) + 6 to 10 max of units over level 200/300.

In the Bachelor of Business component you will complete:

- 8 first year units, normally completed over your first and second year of study. The first year units comprise six core units and two elective units of which one will lead to the major of your choice.
- 8 core units for the commerce major of your choice, normally second/third year units taken over your third and fourth year of study.

For unit choices please refer to the online 2006 Course & Unit Handbook: The BA course structure and schedule of units can be found at www.utas.edu.au/courses/R3A and BBus at www.utas.edu.au/courses/G3F.
