To complete the BA-BBus degree, you must pass a total of 32 units, or 8 units in each year of the four year degree. You are not permitted to take units from another degree for either the BA or BBus components.

In the Bachelor of Arts component you will complete 16 units comprising:

- 6 x 12.5% 200 level units, normally taken over your second and third year of study;
- 6 x 12.5% 300 level units, normally taken over your third and fourth year of study;
- within the 16 units you must complete the requirements for at least one major (though there is room for two majors).
- A major (or specialisation) is made up of sequential units in one discipline, eg, History, comprising 2 units at level 100 (first year units) plus 6 to 10 max of units over level 200/300 (with at least 2 units at 300 level).

In the Bachelor of Business component you will complete 16 units comprising:
