The idea of this course plan is to give you a quick run down of how this degree works and what you need to do to complete it. Once you understand what is required you can use the blank course plan overleaf to keep track of your progress.

To complete the BA-BSc degree, you must pass a total of 32 units, or 8 units in each year of the four year degree.

In the Bachelor of Arts component you will complete 16 units comprising:

- 4 first year units (level 100) from the BA schedule of units
- 4 second year units (level 200)
- 4 second/third year units
- 4 third year units (level 300)
- at least one major (though there is room for two majors).

A major (or specialisation) is made up of sequential units in one discipline, eg, German, comprising 2 (German) units at level 100 (first year units) + 6 min-10 max (German) units over level 200/300 (second/third year units).

In the Bachelor of Science component you will complete:

- At least 4 units from Group 1 (first year) units listed in Schedule B which includes 2 units from two different subject areas;
- At least 4 units from Group 2 (second year) units listed in Schedule B which includes 2 units from the same two different subject areas;
- 4 units from Group 3 (third year) units listed in Schedule B, in one subject area; and
- 4 units comprising a maximum of 2 Group 1 units, a maximum of 2 Group 2 units or a maximum of 4 Group 3 units from the BSc schedule.

For unit choices please refer to the online 2008 Course and Unit Handbook. The Bachelor of Arts course structure and schedule of units can be found at www.utas.edu.au/courses/R3A. The Bachelor of Science schedule can be found at www.utas.edu.au/courses/S3G.

Don't forget that you must have **at least** one major in **both** the Science and Arts side of the degree. Check the specific disciplines to ensure that you are taking all compulsory units needed for the major. Also check that you will have completed the correct prerequisite units when you are enrolling in 2nd and 3rd year units.
