

Bachelor of Arts-Bachelor of Computing – degree planner 2008

START HERE

The idea of this course plan is to give you a quick run down of how this degree works and what you need to do to complete it. Once you understand what is required you can use the blank course plan overleaf to keep track of your progress.

To complete the BA-BComp degree, you must pass a total of 32 units, or 8 units in each year of the four year degree.

In the Bachelor of Arts component you will complete 16 units comprising:

- 4 first year units (level 100) from the BA schedule of units
- 4 second year units (level 200)
- 4 second/third year units
- 4 third year units (level 300)
- and within the 16 units, you must complete the requirements for at least one major (though there is room for two majors).
- A major (or specialisation) is made up of sequential units in one discipline, eg, English, comprising 2 units at level 100 (first year units) + 6 to 10 units over level 200/300 (second/third year units).

In the Bachelor of Computing component you will complete 16 units comprising:

- 10 core Computing units;
- 2 restricted elective units; and
- 4 elective units.

For unit choices please refer to the online *2008 Course & Unit Handbook*: The course structure and schedule of units for BA-BComp can be found at www.utas.edu.au/courses/R3S, see the BA schedule at www.utas.edu.au/courses/R3A and BComp electives at www.utas.edu.au/courses/S3F.
