- A major is made up of units in one discipline (eg History) studied over three years, totalling a minimum of 100% (8 units) eg 25% at first year and 75% at second and third year. The maximum for a major is 150%.
- At least 25% of units in each major must be Level 300 units (third year).
- You need to pass 25% of a first year discipline ie History, *before* you can enrol in the second year (History) units (unless you have TCE Stage 4 in a language with an OA or HA or equivalent).
- Of the 100 level units, 2 units (25%) can be first year units from another degree. ie,
