UTAS PebblePad Training – Hobart offerings

You are invited to attend PebblePad training sessions offered at the Hobart campus.

Date: Wednesday 25 November 2009

Two different sessions are available. You are welcome to attend both sessions or just one:

The first session, *Introduction to PebblePad with a focus on eportfolios for staff*, will provide an overview of the product including a show case of professional eportfolios.

You should attend this session if:

- ✓ You are interested in developing your own professional portfolio.
- ✓ You are working in an area where you might be involved in supporting others to create professional portfolios, eg. Human Resources, Awards and Grants, etc.
- ✓ You want to get a general overview of PebblePad basics in relation to eportfolio development.
- ✓ You want to attend the *Practitioner Workshop* but have little or no experience with PebblePad.

The second session, the *Practitioner Workshop*, is designed for those who have attended the *Introduction to PebblePad* workshop and/or those who already have some understanding of PebblePad and its functions. It will be a hands-on session conducted in a computer laboratory.

You should attend this workshop if:

- ✓ You want to know more about eportfolios and how they can be used
- ✓ You are considering the incorporation of eportfolios into your curriculum in the future
- ✓ You want to gain a broader experience of PebblePad functionality.

Detailed descriptions of the sessions, including times, are provided on the following page.

9:30 – 11:30 ***Introduction to PebblePad (with a focus on eportfolios for staff)***
Location on Hobart campus to be confirmed.

This session will begin with a showcase of professional eportfolios and a demonstration of how eportfolios can be developed to support applications for promotion, award and grant applications, and performance management. This will be followed by a 15 minute Q&A session.

The second hour will focus on an overview of the PebblePad software, including basic functions such as creating assets, uploading files, creating presentation portfolios, and sharing assets with others.

11:30 – 12:00 ***Morning Tea***

12:00 – 1:30 ***Practitioner Workshop***
CIS214 (computer lab in the Computer Information Systems Building)

This participative workshop builds on the morning introductory session to provide further information to academics and educational developers who will be using PebblePad with learners. This workshop is aimed at colleagues who already have some understanding of PebblePad and its more common functions.

Broadly the workshop is composed of 3 parts, providing participants with an introductory overview of profiles, proformas and gateways.

1:30 – 2:15 ***Optional lunch for those attending the Practitioners Workshop***
(please indicate that you would like lunch provided when you register online).

2:15 – 4:30 ***Practitioner Workshop (continued)***
CIS214 (computer lab in the Computer Information Systems Building)
