

## My Advanced Diploma Planner

Use this planner to help plan out your advanced diploma.

Consult the UTAS Course and Unit Handbook for the units that make up your Advanced Diploma – these are presented in the ‘What you’ll study’ tab at: [www.utas.edu.au/courses](http://www.utas.edu.au/courses)

To enrol please use the following link: [How do I enrol?](#)

### What are the requirements for ETO - CoC phase?

You need to complete 24 units, consisting of:

- 7 core units
- 17 short courses

### What are my short courses

The faculty officer will enrol you in all short courses.

### Credit/Advanced Standing

If you have completed any of the STCW short courses please email them to [amc.courseinfo@utas.edu.au](mailto:amc.courseinfo@utas.edu.au) for assessment prior to your arrival to AMC/UTAS.

AMSA Oral Examination are not part of the award

Unit availability is subject to change without notice.

**For further information or assistance with your enrolment, please contact:**

Faculty Officer-Maritime Training – [amc.courseinfo@utas.edu.au](mailto:amc.courseinfo@utas.edu.au)

## 22T Advanced Diploma of Applied Science (Marine Electrical Engineering) Year 2 ETO Certificate of Competency (CoC)

CORE UNITS ENGINEER WATCHKEEPER	Sem 1	JNE231 Electrical Electronics and Control Systems	JNE235 Marine Mathematics II	JNE314 Advanced Marine Electrical Engineering	JNE315 Advanced Marine Control and Automation
	Sem 2	JNE241 Operational Marine Engineering (General)	JNE242 Operational Marine Engineering (Motor)	JNE311 Advanced Electro- technology	
STCW SHORT COURSES SHORT COURSES OFFERED IN VARIOUS SEMESTERS	Short courses are offered in various Semesters	JVD170 Elementary First Aid	JVD171 Fire Prevention and Fire Fighting	JVD172 Personal Safety and Social Responsibilities	JVD173 Personal Survival Techniques*
		JVD174 Security Awareness	JVD182 Marine Confined Space Entry	JVD183 Marine Damage Control	JVD186 Tanker Familiarisation (Liquefied Gas) #
		JVD187 Tanker Familiarisation (Oil and Chemical)#	JVD210 Advanced Fire Fighting	JVD212 Proficiency in Survival Craft	JVD224 Maritime Environmental Awareness
		JVD225 Team Working and Leadership Skills	JVD226 Medical First Aid at Sea  JVD227 GMDSS	JNE243 High Voltage	JNE244 Shipboard Electronics
AT SEA UNITS		JVE125 Shipboard Electrical Operations Experience			
		Students who gain sea time will be required to enrol in the above unit Shipboard Electrical Operations Experience			

**#REQUIRED FOR ISSUING OF A CERTIFICATE OF COMPETENCY BUT NOT REQUIRED FOR THE COURSE AWARD**
