### Activities:

- 10.00 – 3.00 **Course Expo:** Course information involving all faculties, schools, scholarships and support services located on the second level mezzanine.
- 11.00 – 2.00 **Taste of Agriculture Science:** Tastings of local produce and hands-on activities. Activities will include using a glow-in-the-dark substance to measure how well you wash your hands, investigating how the ingredients in beer can influence the flavour, measuring residual sugar left in wine, and tasting the difference between grass and grain fed beef. In the Science lab.
- 11.00 – 1.30 **Hands-on Science:** Test your reaction time, extract some DNA and check out life under the microscope. Fun hands-on science activities for everyone. On the second level mezzanine.
- 12.00 – 1.30 **Tasmania University Union:** Free sausage sizzle in the courtyard adjacent to *The Red Lion Café*.
- All Day **Cradle Coast campus tour:** Come and experience our exciting new facilities.
- All Day **Library Services:** The campus offers open and flexible learning spaces and within our newest building you will find the Learning Hub, reference collection and quiet or group study rooms. Students have access to the University's electronic resources and the Flexible Library Service provides access to the Library's other collections.
