

- Pre-Training presentations will be held in December to discuss the training agenda and approach.
- A “Train the Trainer” approach will be adopted to deliver detailed courses for each module. By this, we mean identified UTAS Trainers will be trained by the TechnologyOne consultants to allow for the successful delivery of the training sessions.

- Training will commence from January 11th 2010 and will continue on a rotational basis throughout Jan / Feb, with additional courses scheduled throughout the first half of the year.
- Participants will be required to register for training sessions via the Financial Services Website.
- The detailed Training Schedule and Course Information will be available by the end of November.
