Approval of an extension for an assignment

This form is to be completed and signed by the student

The student must attach the form to the front of the assignment before handing it in directly at the School of Economics Office (to one of the secretaries). If a late submission does not have a completed and approved authorisation form, the assignment will not be accepted as being handed in on the correct date and will be subject to the late penalties that apply.

The fully completed form (ie your details and lecturer's details and signature) must be handed in with the assignment.
