Acknowledgements

This paper is part of a broader set of projects on organizational restructuring, downsizing, delayering and managerial labour markets coordinated by Professor Craig R. Littler. We would like to thank our colleagues, especially Professor Richard Dunford (Macquarie University) and Professor Leo Vermeulen (University of Pretoria) for their input. The Australian Longitudinal Database has benefited from the assistance of several colleagues including Liz O'Brien (Australian Catholic University), Dr. Tom Bramble (University of Queensland), and Professor Andrew Hede (Sunshine Coast University College, Australia). We would also like to thank Professor Peter Liesch (University of Tasmania), Professor Boris Kabanoff (Queensland University of Technology) and Professor Peter Dawkins (Melbourne University) for their support.
