

TASMANIAN INSTITUTE OF LAW ENFORCEMENT STUDIES

The Institute

- Formed by the University of Tasmania and the Department of Police and Public Safety (DPPS)
- Commenced August 2002

Mission Statement

- To conduct and promote evidence based research to improve the quality of law enforcement

Theme Areas

- Drug Law Enforcement
- Youth Crime Prevention
- Natural Resource Management and Environmental Crime
- Trans-national crime

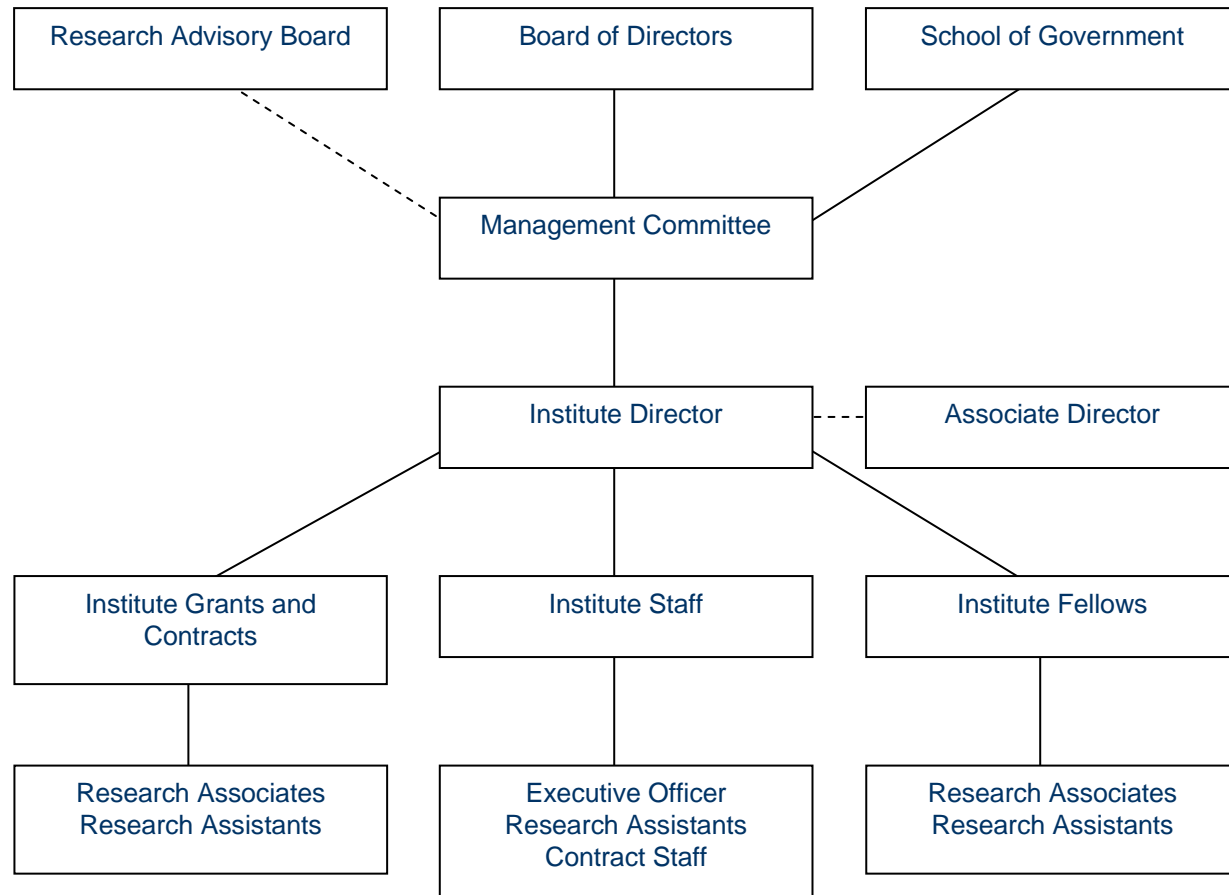

Organisational Overview

- Board of Directors
- Management Committee
- Director
- Staff
- Research Steering Committee
- Research Fellows
- Research Associates

Organisational Chart

Board of Directors

- Sir Max Bingham QC, Chair
- Mr Richard McCreadie, Commissioner of Police
- Professor Andrew Glenn, Pro Vice Chancellor (Research) , UTAS
- Dr Marcus Haward, Head of School of Government, UTAS
- Mr Jack Johnston, Deputy Commissioner of Police
- Professor Jan Pakulski, Dean of Arts, UTAS
- Ms Linda Hornsey, Secretary Dept. of Premier and Cabinet, Hobart
- Ms Joanne Blackburn, First Assistant Secretary, Attorney General's Department, Criminal Justice Division, ACT
- Mr Rudi Sypkes, Community / Business Representative
- Ms Margie O'Rourke, Community / Business Representative

Research Expertise

- Policing
- Public Policy-Making
- Social Geography
- International Relations
- Information Systems
- Pharmacology
- Rural Health
- Criminology
- Psychology
- Law
- Philosophy
- History
- Sociology
- Law Enforcement

Research Expertise..cont

- Community Policing
- Youth Justice
- Corrective practice
- E-crime and fraud
- Trans-national crime
- Drug Law Enforcement

Research Expertise - Chief Investigators

- Professor Aynsley Kellow
- Professor Rob White
- Professor Terry Burke
- Associate Professor Roberta Julian
- Associate Professor Pam Allan
- Associate Professor Lorraine Mazzerolle
- Associate Professor Boagang He
- Dr Robert Hall
- Dr Megan Alessandrini
- Dr Paul Maginn

Research Expertise Chief Investigators ..cont

- Dr Keith Jacobs
- Dr Clarissa Cook
- Dr Lorne Kriwoken
- Deputy Commissioner Jack Johnston
- Assistant Commissioner Mal Shervill
- Ms Robin Bowden (DIMIA)
- Ms Marnie Bower
- Ms Danielle Campbell
- Inspector Matthew Richman

Seconded Staff DPPS

- Inspector Matthew Richman
- Inspector Colin Little
- Inspector John Arnold
- Inspector Craig Waterhouse
- Inspector Geoffrey Smith
- Senior Sergeant Matt Osborn
- Ms Andrea Heath
- Ms Christian Lathouras
- Ms Jackie Tither
- Ms Claire Haberle

Funding Bodies

- NDLERF
- NMVTRC & the Commonwealth Attorney-Generals Department
- NIFS
- IRGS Institutional Research Grants Scheme
- DPPS
- NRMA
- ARC
- UTAS
- OSSC
- AERF

Research Activities

- **Service Contracts**

Provide expertise in survey

- design,
- delivery, and
- analysis.

- **Evaluations**

Research Activities cont...

Competitive Research Grants

- Participate at the national and international level
- Conduct collaborative and interdisciplinary research
- Respond to the needs of
 - law enforcement agencies
 - community groups

Research Higher Degree (RHD) Candidates

- The Institute provides supervision of RHD projects for
 - MA and PhD awards
 - full fee paying postgraduate degrees.

TILES PhD candidates

Policing and the Environment

The Forensic Scrutiny of Intimate Relationships

Exploring ideas of health with African refugee women in Tasmania

Interagency collaboration and service delivery in youth justice diversionary programs

Community Policing and Refugee Settlement in Regional Australia

Liberal governmentality and the Constitution and Negotiation of Aboriginality in Tasmania

The Fear of Crime – the Crime of Fear

Gendered Careers in Australian Policing

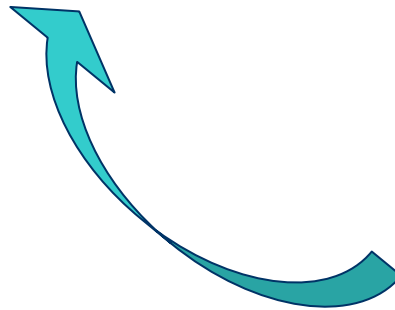

Research Model

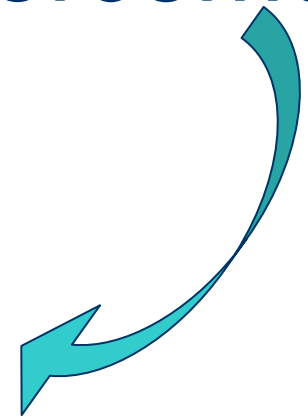

Prevention

Enforcement

Corrections

- Interdisciplinary Research

Research Structure

- Steering Committee
 - Inter-disciplinary
 - Multi-jurisdictional
 - Law Enforcement Representation
- Research Committee
- Research Fellow and Research Associate

Completed Projects

**TASMANIAN
INSTITUTE OF LAW
ENFORCEMENT
STUDIES**

Evaluation of the U-Turn Project

- Young Recidivist Car Theft Offender Program
- Targets young people 15-20 years with a motor vehicle theft history
- Offers an automotive education and training course

Evaluation of the U-Turn Project

- Road safety education, literacy and numeracy skills

U-Turn Supported Accommodation

- Comparative analysis between those in a residential program and those who are not
- Program is aimed at behavioural change

U-Turn Supported Accommodation

- Project provides opportunity to investigate wider environmental and social factors
- Youth have access to a Housing Care worker

Safe at Home - RAST

- Literature Review
- Academic Panel
- Recommendations

Current Projects

**TASMANIAN
INSTITUTE OF LAW
ENFORCEMENT
STUDIES**

Comparative Analysis of Streetsafe

- Reduce drug and alcohol related crime
- Improve safe and responsible road usage

Drug Diversion

- Enhancing the implementation and management of drug diversion strategies in Australian law enforcement agencies
- To examine the impact of drug diversion strategies in Victoria, South Australia and Tasmania

Drug Diversion cont..

- To develop and implement an effective model for law enforcement policy development and implementation

Forensic Science and Policing

- Study of understanding and attitudes to forensic science by police officers in
 - Tasmania (2002)
 - South Australia (2003)
 - Victoria (2004)

Forensic Policing in a Cross Cultural Context

- “The Case of Australian Police in Bali”
- Interviews with Australian and Indonesian Police
- Cross-cultural training for Australian police being deployed in the Asia-Pacific region

Drug and Related Problems on Social Housing Estates

- Effective strategies for tackling the issue
- Collaboration between housing managers and law enforcement agencies in
 - Tasmania
 - Victoria
 - Western Australia
- To establish effective and sustainable working partnerships to curb drug related problems

Community Policing and Refugee Settlement in Regional Australia

- A Case Study of Tasmania
- Seeks to overcome a lack of research into police-ethnic minority relations
- Numbers have increased from 150 (average) to 380 in 2003

Community Policing and Refugee Settlement In Regional Australia cont..

- Research Aims to:
 - Identify, analyse and theorise police-refugee (and vice versa) relations in regional Australia
 - Identify the ways in which policing can enhance the settlement experiences of refugees
 - Identify barriers
 - Identify and analyse police perceptions

Community Policing and Refugee Settlement in Regional Australia cont..

- Identify and analyse mechanisms for maintaining law and order within refugee communities
- Develop best practice models for community policing in the context of refugee settlement in regional Australia

Evaluation of Project Currawong

- A literature review of relevant work
- Identify appropriate theory to inform the research
- Utilise evidence based research methodology
- Identify best practice in wilderness-based youth diversionary programs

Local implementation of Ramsar Convention Obligations

- Identify patterns of local governance and impact they have on compliance with Convention obligations in China and Australia
- Develop policy recommendations to strengthen local compliance

Social Norms - Drugs, Alcohol and Young People

- Risk taking is often based on conformity to imaginary peers. Addresses perceptions to influence behaviours
- A participatory action research project
- Aims to address problems of substance abuse among youth in rural areas – binge drinking
- Minimise alcohol related harm

Non – funded Research

- Community Safety - Northern Region Project Review
- Neighbourhood Watch - Review & Marketing Strategy
- Net Water Movement, Police Search & Rescue Initiative

Survey Consultancies

- UTAS Postgraduate Exit Survey
- DHHS Workplace Diversity Survey
- OSSC Employee Survey
- ARCBS Survey of Donors & Non - Donors

Research Horizons

- Observational study of “downtime”
 - Systematic Social Observation methodology
 - Extensive consultation with the Tasmania Police
 - A Tasmanian Model – two police districts
 - Recommendations to better position police to prevent and to control crime

Research Horizon cont...

- The 'Safe at Home' Initiative
 - Whole of government approach
 - Longitudinal analysis

Collaborative Research & Research Training

- NIFS
- AIPM
- ACPR
- VicPol Training (Swinburne, QUT, Charles Sturt & UTAS)
