

## **ORDINANCE 16**

### **TASMANIA UNIVERSITY UNION CONSTITUTION 2008**

**The Council of the University of Tasmania makes the following Ordinance under the University of Tasmania Act 1992.**

#### **1. Commencement**

**1.1** This ordinance is deemed to have taken effect on 31 March 2008.

#### **2. Purpose**

**2.1** The purpose of this Ordinance is to clarify that Ordinance 42 does not affect the validity of the constitution of the new Tasmania University Union Inc (TUU), which was certified on 31 March 2008 following the amalgamation of the previous TUU Inc and the Student Association Inc.

#### **3. Clarification of operation of Ordinance 42**

**3.1** The TUU constitution as certified by the Assistant Commissioner for Corporate Affairs on 31 March 2008 (the TUU constitution) takes effect despite any inconsistency between the TUU constitution and Ordinance 42, and nothing in Ordinance 42 invalidates any act done in good faith in the implementation of the TUU constitution or in accordance with it.

**3.2** The Tasmania University Union Inc (TUU) as constituted by the TUU constitution is the affiliated student association for all UTAS students.

**3.3** The TUU constitution may only be amended in the manner provided for in Ordinance 42.

**3.4** Ordinance 42 will be reviewed as a whole at the end of 2008, once the TUU constitution has been in operation for some time.

**Made by Council on 11 April 2008.**

**Sealed with the seal of the University of Tasmania on 13 May 2008.**
