Excited by the search for the unknown and the joy of discovery?
So are we.

The University of Tasmania is a world-class institution in Tasmania, Australia. Committed to excellence in teaching, learning and research, we’re also dedicated to the creation, preservation and communication of internationally renowned knowledge. Set among some of the world’s most beautiful landscapes, we’ve got all the conveniences of modern cities along with a strong sense of history. Our community is linked to the nation and the world by the education we provide. At the University of Tasmania your future is in our sight. For more information about working or studying at UTAS visit www.utas.edu.au or call the University Info Centre on 1300 363 864.
