P PLATE EXAM RECORDING GUIDELINES

Candidates are required to record the entire performance of all works in a single recording. The recording may be done at any time from point of enrolment up to the exam due date. Due dates will be advised with a minimum of two weeks' notice. The recording must be done completely in one sitting. A supervisor (who is 18 or over), will be required to confirm that the exam performance was recorded in one take without teaching/coaching assistance.

The program of works must adhere to the relevant Syllabus. The number of works and the duration of the recording must fit within the specified performance times listed for the particular instrument and grade.

Before You Start

1. Complete your Repertoire Form. This can be done online in SCORE – score.ameb.edu.au – or you can find this on the last page of the exam notification, where you list the works prepared. Scan and/or Save this in preparation for submitting your exam recording.
2. Review the supporting documents as provided on the AMEB Tasmania website.
3. Start by checking your set up and that you are ready to commence recording your exam performance.
4. Have your Supervisor (aged 18+) standing by so that they can attest that the exam performance was recorded in one take without teaching/coaching assistance.

RECORD YOUR EXAM

1. Just like the face-to-face exam, your family can attend your performance.
2. Start your recording.
3. Announce to the camera:
Your name
Your Enrolment key (this will start with *TAS* followed by numbers)
4. Announce the title and composer of each piece before performing it. You may perform the repertoire in any order. For pieces, please state: Title of the work, Composer
5. Once all pieces are performed in their entirety, stop the recording. Congratulations! You've just completed your performance component. Don't forget to get it to us.

Send Your Exam

Please check the [Submit Guidelines](#) for instructions on how to provide the following.

1. Save your Exam and edit the file title so that we know it's yours. This **MUST** include the Candidate's name and, ideally, the Enrolment Key.
(eg Joan Sutherland TAS123456)
2. Provide to AMEB Tasmania:
 - a. Exam recording
 - b. Repertoire Form (completed with your list of pieces)
 - c. Signed Supervisor Declaration

Once the final submission deadline for your exam "day" has passed, all exam recordings will be provided to an AMEB Examiner. They will assess your performance, following which you will receive your official report and result. The result will have the same status as the result of a face-to-face exam and we will post out your report and certificate.
