

STUDENT FIRST AID CERTIFICATE REQUIREMENTS

The University of Tasmania is required to comply with all relevant Commonwealth and State legislation and regulation to ensure the safety of students and healthcare consumers. The School of Medicine (SOM) recognises the Australian Resuscitation Council's [Standards for Resuscitation: Clinical Practice and Education](#), whereby resuscitation skills are identified as a fundamental requirement for undergraduate students of Medicine. The School of Medicine (SOM) requires all undergraduate MBBS students to have current first aid certification before the end of the first semester of study in the MBBS Program (a current certificate cannot be **older than 6 months at the beginning of Week 1 of CAM101**).

Requirements for Professional Experience Placement (PEP) in Health Care Agencies

The TSOM requires **first year undergraduate medicine students** to have undertaken a one or two day Provide First Aid Certificate course with a Recognised Training Organisation (RTO) in Australia. After which provide a current **Provide First Aid Certificate** statement of attainment/competency which includes cardiopulmonary resuscitation (CPR) via a Registered Training Organisation. International Students will be provided a Course details of which will be provided before Orientation this will be free of charge to the student.

Evidence of completion must be provided no later than Census Date in the BMedScMD Course (22nd March 2024), unless otherwise advised by the Tasmanian School of Medicine.

It is recommended that you complete your First Aid Certificate as soon as possible after accepting a position in the MBBS program for ease of processing documentation.

Once you have your Provide First Aid Certificate, you are required to:

- Upload the Certificate to the relevant compliance item on InPlace by Census Date
- Retain and produce the Certificate for sighting by health care agencies/UTAS if/when required.

If you do not submit your current **Provide First Aid Certificate** to the School via InPlace by the due date, you **will not be eligible to undertake PEP**.
