

# Schools Recommendation Program

No matter what happens, we have a place for you. Together with schools, we've introduced a program to help year 12 students get ahead. Our 2023 program lets you apply early for our range of exciting, diverse courses.

## Here's how it works:

- > Use our Undergraduate Course Guide to find the course that interests you.
- > Applications can be submitted from 29 June. The earlier you submit, the sooner we can send you an offer.
- > Your school completes a rubric that provides us with insights into your preparedness for successful study at university.
- > You'll receive an offer once the recommendation is received from your school.

## Key dates for students

Get your application in by 31 July to be eligible for a main round offer.
