

Schools Recommendation Program 2022

No matter what happens, we have a place for you. Together with schools, we've introduced a program to help year 12 students get ahead. Our program lets you apply early for our range of exciting, diverse courses.

Here's how it works:

- > Use the 2023 Undergraduate Course Guide to find the course that interests you.
- > Applications can be submitted from 30 June. The earlier you submit, the sooner we can send you an offer.
- > Your school completes a rubric that provides us with insights into your preparedness for successful study at university.
- > You'll receive an offer once the recommendation is received from your school.

Key dates for students

Get your application in by 1 August to be eligible for a main round offer.
