Practical Skills Workshop
Year 10 students

Latrobe Tuesday 17th May 2016
University of Tasmania Rural Clinical School, Mersey Campus,
Mersey Community Hospital, Latrobe

Burnie Wednesday 18th May 2016
University of Tasmania Rural Clinical School, Hospitals' Campus,
Brickport Road, Burnie

The day involves a series of workshops which focus on dealing with emergencies; dealing with illness and health beyond the emergency room; choosing a health career and how do you get there?

Learn more about health career study paths and opportunities, course information and scholarships - as well as what to expect in Year 11 & 12 from local college students.

Applications close 8th April 2016
Talk to your Year 10 Coordinator to find out more.
