

Accessing the Epigeum Courses

HDR Candidate Information

1. Go to this link: <https://courses.epigeum.com/>
2. Click on the 'person' icon in top right hand corner of the screen and then on "Register"

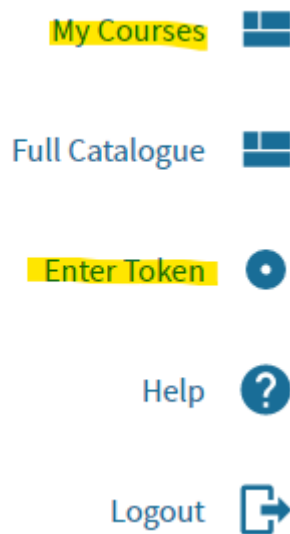

3. Complete the registration form using your UTAS email (@utas.edu.au) being sure to enter the following token in the relevant field: **9ed0c3e3** – please do not copy and paste as this may cause an error.

A screenshot of the Epigeum registration form. The form is titled 'Register' and includes a breadcrumb 'Home > Register'. The instructions state: 'Complete this simple form to register and get started. To register, complete the following fields and click the 'Register' button at the bottom. If you have a token this can be redeemed once you have registered and logged into your account.' The form fields are: 'Enter your first name:', 'Enter your surname:', 'Institution-specific field (optional):', 'Enter your e-mail address: *' (with a note 'This must be the e-mail address given to you by the subscribing institution'), 'Re-enter your e-mail address: *', 'Choose a password: *' (with a note 'Your password must be at least 8 characters long and include at least: 1 lower-case, 1 upper-case and 1 numeric character'), 'Re-enter your password: *', 'Token (optional):' (highlighted in yellow, with a note 'This may have been given to you by the subscribing institution'), and 'Your role at University: *' (a dropdown menu with 'Please choose' selected).

- You will be sent an account activation email. Please click on the link in the activation email to complete registration and activate your account. NOTE: If you do not receive the email in your inbox, please check your SPAM/junk mail. You can also resend the activation email via [this link](#)
- Once you have activated your account, you can log in. Click the 'person' icon in the top right hand corner and select 'My Courses', or directly access the courses here: <https://courses.epigeum.com/my-courses>

If you missed entering the token during registration, you can also find the 'Enter Token' option in the list:

- You should then be able to view and access the courses!

Research

 <p>Entrepreneurship in the Research Context</p> <p>In these courses, students and researchers thinking of commercialising their research are challenged to consider issues such as their goals, the viability of their idea, routes to market, and how to mobilise people and finance.</p> <p>International</p> <p>View Courses</p>	 <p>Ethical Research</p> <p>This programme prepares Master's and PhD candidates to face the ethical challenges of their research. It provides guidance on how to work ethically in different circumstances, encouraging researchers to reflect on their assumptions and behaviour.</p> <p>ANZ</p> <p>View Courses</p>
 <p>Introduction to Research Skills</p> <p>This programme explains the importance of skills training for researchers and the features and learning tools used throughout the programme and contains a diagnostic quiz to highlight the courses relevant to participants' particular needs.</p> <p>Irish</p> <p>View Courses</p>	 <p>Research Methods, First Edition</p> <p>These courses support doctoral and postdoctoral researchers undertaking independent research. The courses provide guidance on the different research processes involved in arts and humanities, literature review, social sciences and sciences.</p> <p>International</p> <p>View Courses</p>
 <p>Research Methods, Second Edition</p> <p>These courses support Master's students undertaking taught courses or independent research and PhD candidates. They provide guidance on how to conduct a literature review and cover the latest trends and developments in research practice, focusing on the practical applications of research methods in the areas of social sciences, arts and humanities and STEM.</p> <p>International</p> <p>View Courses</p>	 <p>Transferable Skills</p> <p>These courses develop a broad range of skills essential for both academic and non-academic careers. Areas covered include intellectual property, career planning, managing projects, working with research supervisors.</p> <p>International</p> <p>View Courses</p>
