Uni Open Day

Explore our campuses

SUNDAY 21 NOVEMBER

UNIVERSITY of TASMANIA
Welcome

Open Day is your chance to explore our campuses and get a taste of uni life. You'll learn all about scholarships, courses, accommodation and studying abroad – straight from students and teaching staff.

This is also a great way to check out all the clubs and social opportunities we have to offer. Plus, there's live music, food trucks, and plenty of fun activities for kids.

Register here for your chance to win a MacBook Air!
Places to visit

Sandy Bay
Our Sandy Bay campus offers purpose-built learning facilities across a wide range of study areas.

Institute for Marine and Antarctic Studies
IMAS focuses Tasmania’s strengths in Marine and Antarctic Science into one cutting-edge learning precinct.

Creative Arts Precinct
This vibrant precinct brings together creative minds across Fine Arts and Design.

The Hedberg
A first-of-its kind music and performance space for students, industry professionals, and the wider community.

Our accommodation
Take a tour of our amazing living spaces at College Road, Hobart Apartments, and 42 Melville St.
Business and Law
Chat with our legal professionals about where a Law degree can take you. Or grab a mocktail with our Business experts to discuss your ideas, marketing problems and future studies.

Creative Arts and Design
Jump into a Q&A and discover the range of courses open to you in Tasmania. You can also chat with our passionate Creative Arts and Design students about their experiences.

Earth, Sea, Antarctic and Environment
Discover how our students are fighting climate change and protecting our planet. You’ll see our 3D food printer in action, sail a small yacht, fly a mini-drone and much more.

Education, Humanities and Social Sciences
Learn how our courses can change your life and the lives of others. Chat with passionate students and teachers, listen to a live panel, and take part in a range of fun activities.

Science, Technology and Engineering
Learn how our courses help students change the world. You can check out a live chemistry show, 3D printer, electric race car, and even defuse a bomb in VR!

Health and Medicine
Experience the life of a pharmacist, chat with our Medicine and Nursing staff, and find out how students are helping to keep Tasmania safe during the pandemic.
Institute for Marine and Antarctic Studies

**ACTIVITIES**

Learn about invasive sea urchins, try out some of the technology used by our divers, and get up close and personal with some of the ocean’s most remarkable creatures.

Creative Arts Precinct

**ACTIVITIES**

Drop into our green screen space to make your own GIF, tour student exhibitions, and check out some of the incredible projects created by our Design students.

Grad show exhibition tours run every hour from 10:15
Building tours run every hour from 10:45

The Hedberg

**ACTIVITIES**

Tour The Hedberg's state-of-the-art, digitally equipped rehearsal and practice rooms. Plus, listen to a live band recording session in our integrated multi-room recording suite.

Tours run every hour from 10:15
Information sessions run every hour from 10:45
Getting around

We’ve made getting around Open Day easier than ever. All you need to do is hop on one of our free buses, which are running between campuses all day.
