Is specialist medical or insurance advice required?  Yes  No

Comment: \_\_\_\_\_

##### 2. DECLARATION

I acknowledge that I have read and understand this document in relation to work in authorised activities on behalf of the University of Tasmania. I undertake to advise the Hosting Organisational Unit head should circumstances change during my appointment that would alter the responses provided above.

I have completed the sections of the document relevant to me and I declare that to the best of my knowledge the information given by me is complete and true.

Name: ..... Signature: .....

(Title holder) Date: ..... / ..... / .....

Please attach the following documents to the end of this nomination form:

- Supporting rationale for the conferral from the Head
- Nominee's current curriculum vitae (a brief copy – 5 pages or web hyperlink)
- Supporting statement of tangible outcomes where the nominee has previously held an adjunct, clinical, associate, or equivalent title with the University of Tasmania

## Safety and Wellbeing Information (for the nominee)

### a) Safety and Wellbeing

The nominee is a volunteer 'worker' for the purposes of the Work Health and Safety Act 2012. In accordance with the *Work Health and Safety Act 2012*, a person undertaking a role with the University is to comply with Section 28 of the Act and while at work must:

- a) take reasonable care for his or her own health and safety; and
- b) take reasonable care that his or her acts or omissions do not adversely affect the health and safety of other persons; and
- c) comply, so far as the worker is reasonably able, with any reasonable instruction that is given by the University to allow the University to comply with this Act; and
- d) co-operate with any reasonable policy or procedure of the University relating to health or safety at the workplace that has been notified to workers. Please consider the University Safety and Wellbeing [policies](#) and [delegations](#).

### b) Accidents and Injuries

If a person occupying a position is injured, or has an accident during the carrying out of their duties, they must report it immediately using the online [Incident Reporting system](#) or to their Organisational Unit head or delegate.

### c) Insurance

As the position holder is not an employee of the University of Tasmania, they are not covered by Workers' Compensation insurance.

However, they are covered under the University's Personal Accident Insurance Policy for injuries sustained whilst engaged in authorised activities (Noting an age limit of 80 years and general policy exclusions apply).

Refer to further details of [insurance information](#).

#### **Important Notice:**

In accordance with the Private Health Insurance Act 2007 the Personal Accident Insurance policy cannot and is not allowed to pay expenses incurred for which a Medicare benefit is payable. The policy will not pay for any doctor or hospital bills or any other medical accounts that have a Medicare benefit. The policy will not pay for any balance of monies due or payable after deduction of any Medicare benefit, commonly referred to as the "Medicare Gap".

For driving, note that if the volunteer is using a private vehicle, then authorisation for use is required from the Organisational Unit Head or delegate and the University's Personal Accident Insurance Policy may not cover him/her.

Refer to further details of [insurance information](#).

### d) General Conditions relating to positions

As the holder of an affiliate position with the University, a person:

- will not receive any remuneration for affiliate work;
- must not sub-contract work to any other person;
- must obey all reasonable requests made by the Organisational Unit head or Delegate and if a dispute arises, should discuss the issue with the Organisational Unit head or Delegate;
- must comply with all security and office regulations in place at the University;
- shall not represent themselves as employees of the University of

Tasmania. The University of Tasmania may terminate affiliate appointments at its sole discretion.

### e) Medical Disclosure

The University is to be advised of:

- any pre-existing medical condition or injury that would preclude the person from carrying out all of the duties of the position;
- any medication that could affect the person's health and safety or those of others, or the undertaking of their duties.

*Note:* Completion of Medical Disclosure and Authorisation Forms will be required where participating in: laboratory, workshop, or studio work; field activities; or undertaking required driving.
