### **Rotary Stats:**

65 Rotarians from 30 clubs

3 Regional Chairs

2 District Chairs

### **VIP's: 14.**

Her Excellency Professor the Honourable Kate Warner, AC, Governor of Tasmania and Mr Warner were our VIP judges at the state finals.

Congratulations to the eight schools, who made it to the state finals in Burnie on Monday 29<sup>th</sup> March: The Friends' School, Kingston High School, Clarence High School and Rose Bay High School, Launceston Christian School and Riverside High School, Latrobe High School and Devonport High School.

The final victors - by only 5 points, were Launceston Christian School, with The Friends' School a very close second. Only 24 points separated first to fourth place, and 3 points separated fifth and sixth place! With every team scoring over 1000 points, out of a possible 1600 points; a fantastic achievement.

Document prepared on 01/04/2021.

Signed Susie Haley.

State Coordinator & National Council member, Science and Engineering Challenge.
