

# Regional Anaesthesia Workshop

**Date:** 30 June 2023

**Time:** 9am – 4.30pm

**Where:** University of Tasmania, Medical Science Precinct, 17 Liverpool Street, Hobart

**Cost:** \$780 (GST inclusive) includes refreshments and learning materials

This practical workshop has been designed for Medical Professionals wishing to further develop their skills in administering regional anaesthesia. Participants will be offered the unique opportunity to practice procedures using human cadavers at practical skill stations with guidance from Anaesthetists and other experts.

This workshop has been approved for a three-day procedural skills training grant of \$2000 per day. These grants are offered by the Australian Government for rural and remote GPs to maintain their skills. For more details please contact Australian College of Rural and Remote Medicine (ACRRM) or the Royal Australian College of General Practitioners (RACGP).

**ACRRM and RACGP QI&CPD points can be claimed for this course.**

Numbers are strictly limited. Register now at [utas.edu.au/medicine-short-course](https://utas.edu.au/medicine-short-course)

Ph: 03 6226 7797 Email: [cpd.medicine@utas.edu.au](mailto:cpd.medicine@utas.edu.au)
