

# Study with us in Tasmania

📍 IMAS students on a field trip at Binalong Bay, North East Tasmania.

# Experience Tasmania

## Give your future a fresh perspective

When you choose to live and study in Tasmania, you get to take advantage of living in one of the most beautiful places in the world, and enjoying everything our remarkable island has to offer.

You've probably heard that we have the cleanest air in the world, natural beauty everywhere, amazing produce and culture, and a laid-back way of life. Well, it's all true.

If outdoor adventures and hobbies are your thing, you have absolutely found yourself in the perfect place. We are world-renowned for our incredible landscape and natural places. Whether you like bushwalking, camping, rock climbing, surfing, sailing, diving, mountain biking or stargazing, we have something for every outdoor enthusiast.

And if food is more your thing, Tasmania is a foodie's paradise: world-famous wines, whiskies, cheeses, seafood, berries, fruit, and beef farmed in the purest corner of the entire country.

Tasmania is also buzzing with cultural activity. Between our iconic galleries and museums, unique festivals, thriving artistic community and vibrant live music scene, we really are the state of the arts.

There is a more relaxed pace of life here. Even in our busy urban areas, you're never more than a few minutes away from a peaceful park, river or beach, so our natural environment is always close by.

# Don't let costs get in your way

Tasmania is an amazing place to study. We believe that everyone should have the chance to experience it. Through our Support to Study Scholarship package, we're removing financial barriers and ensuring that everyone has a place with us by giving up to \$10,000 of financial support.

## Support to succeed

This scholarship also offers additional support to help set you up for success at uni and beyond. Whether you need academic help, career guidance, health and wellbeing support, or just someone to talk to. Every student gets no cost access to a range of services to help them succeed at uni.

## Financial support

We'll make sure costs don't get in your way by offering financial support of up to \$5000, per year to go towards living, travel and study costs. That way you can focus on enjoying your university experience without any unnecessary financial pressure.

## Accommodation support

We are committed to making it easier and more affordable for you to find your place with us. Our accommodation support can make moving out of home and interstate that much easier allowing you to focus on important things like making friends and jumping into uni life. If you choose to stay in our University Accommodation you could receive \$3,000 credit to go towards your rent.

## Relocation and travel support

We can support you to make the move to Tasmania with up to \$2,000, to help cover your relocation and travel costs.

## Easy access to scholarships

Scholarships can make a big difference to your university experience and set you on the pathway to success. In addition to our Support to Study Scholarship package, we have hundreds of scholarships available and offer many unique opportunities for students from all backgrounds:

- Study area – scholarships relating to your chosen area of study
- High achiever – merit based scholarships recognising your academic achievement
- Diversity – scholarships enabling students from diverse backgrounds to study
- Sport – scholarships supporting elite athletes and excellence in sport

Find out more about all our scholarship opportunities at [utas.edu.au/scholarships](https://utas.edu.au/scholarships)

📍 2023 Orientation Week at the Melville Street student accommodation, Hobart.

# Finding your place

## Our campuses

Tasmania is a very special place. Studying here, you can immerse yourself in a vibrant city lifestyle. Our campuses make the most of each region's strengths, which means your learning is informed by the place you live.

### Hobart

Our capital city offers a perfect slice of urban living on the edge of pristine World Heritage areas. Study in the heart of the city, on the harbour, or by the beach.

### Launceston

Tasmania's second-largest city offers you easy access to creative, sporting, and outdoor experiences.

### Cradle Coast

Our brand-new Cradle Coast campus offers modern, world-class facilities on Burnie's spectacular waterfront – where little penguins are regular visitors, and whales have been spotted from our classrooms.

### Sydney

Study Nursing, Paramedicine and Health Management at our Rozelle campus. Complete your degree in as little as two years. Our close partnerships with a range of NSW Local Health Districts, St Vincent's Hospital, NSW Ambulance, and other private healthcare providers give you a range of valuable hands-on work placement opportunities.

Learn more at [utas.edu.au/campuses](https://utas.edu.au/campuses)

## Our accommodation

Join a vibrant student community by living near or on-campus. You'll make new friends and share an amazing student lifestyle.

From self-contained apartments to communal living colleges, we have accommodation to suit your needs and budget.

- Hobart: \$188-\$410/week.\*
- Launceston: \$218-\$235/week.\*

Most accommodation options are within easy walking distance from our campuses. Plus, they provide study support, social opportunities, and sports activities.

Learn more at [utas.edu.au/accommodation](https://utas.edu.au/accommodation)

\*Costs listed are for 2023 and are subject to change and eligibility requirements.

### Lily loved the feeling of home in the University accommodation

"The application for accommodation was very simple. It was quick and easy, and I felt like the University gave me the best chance in being successful. The large kitchens are also utilised for big gatherings," Lily says, "which creates a sense of family and togetherness."

Lily, Bachelor of Media and Communication

📍 Students using community spaces at the Melville Street accommodation, Hobart.

# Get the support you need

Whether you need academic help, career guidance, or just someone to talk to, we're here. These are some of the ways we support our students.

## Get help with your studies

As a student, you'll have access to all kinds of resources. These include:

### Peer Assisted Study Sessions (PASS)

These timetabled study sessions are led by student mentors and can help you improve your grades.

### Learning workshops and webinars

Join live and pre-recorded sessions across a range of topics.

### 24 hour study support

24/7 assignment feedback and live chat with experts for a range of subject areas.

Learn more at [utas.edu.au/study-support](https://utas.edu.au/study-support)

### Learning Advisers

Our Learning Advisers offer individualised appointments which focus on developing your academic skills and building a personalised strategy to help you study.

Learn more at [utas.edu.au/study-support](https://utas.edu.au/study-support)

## Health and wellbeing support

We offer a range of student health and wellbeing services. These include:

### Counselling

Studying with us gives you free access to confidential and professional counselling. Counsellors can help you achieve your best by building a deeper understanding of yourself and the things that are getting in your way. They can also support you to implement strategies to succeed. Plus, you can access wellbeing sessions and information to help you get the most out of your time with us.

For more information on support and wellbeing, please visit [utas.edu.au/counselling-support](https://utas.edu.au/counselling-support)

### Accessibility support

We provide practical assistance and support for any student with a disability or health condition. Together, we'll ensure that you meet your learning needs.

Learn more at [utas.edu.au/support](https://utas.edu.au/support)

### Support for Aboriginal and Torres Strait Islander students

Riawunna provides a welcoming space and vibrant community, with plenty of academic and cultural support for Aboriginal and Torres Strait Islander students like Aboriginal Student Advisors, Murina Pathway and Riawunna Community Programs and tutoring services.

Learn more at [utas.edu.au/riawunna](https://utas.edu.au/riawunna)

## A safe and diverse culture

We're committed to creating a culture that's safe, promotes equality, and values diversity. Respecting and maintaining the rights and dignity of our staff and students is our highest priority.

Learn more at [utas.edu.au/diversity](https://utas.edu.au/diversity)

### Safe and Fair Community Unit

A university-wide service providing information, support and advice to keep everyone safe and well.

Learn more at [utas.edu.au/safe](https://utas.edu.au/safe)

### Religious support

We welcome people of all faiths and spiritualities. We have a diversity of faiths within the community, with pastoral carers based at both the Hobart and Launceston campuses.

The University can help connect you to local religious and cultural groups and organisations.

There are also prayer rooms on the Sandy Bay and Newnham campuses for Muslim students and staff.

### LGBTIQA+

Find information about support services for LGBTIQA+ students through our website at [utas.edu.au/counselling-support](https://utas.edu.au/counselling-support)

## Career guidance and support

You'll be supported throughout your whole journey from study to work. We'll help you find jobs while you're studying and connect you with future employers. We also offer a range of leadership, work-integrated learning, and professional placement experiences. These include programs with businesses and industry that help you gain valuable skills and experience as you study.

Learn more at [utas.edu.au/student-careers](https://utas.edu.au/student-careers)

### Leadership and volunteering

We can help you develop your leadership skills and make unique connections. You can volunteer, become a student representative, or gain experience through a student leadership role.

Learn more at [utas.edu.au/leadership-and-volunteering](https://utas.edu.au/leadership-and-volunteering)

## Combine your interests with a double degree

Our new double degrees allow you to deepen your knowledge within two separate study areas. That means you can pursue your career and follow your passion at the same time. And when you graduate, you'll have a set of skills that will really set you apart.

## Fast track your studies and become a fully qualified teacher

Did you know we are one of the few universities in Australia that offer a double degree combining a Bachelor of Arts or Bachelor of Science with a Master of Teaching? These programs will accelerate your career allowing you to graduate with two professional qualifications in just 4-years.

H: Hobart, C: Cradle Coast, L: Launceston, O: Online; S: Sydney

\*Entry to these courses is very competitive, so an early offer is not available. However we still encourage you to apply as part of your Schools Recommendation Program application. You will be assessed for these preferences once your ATAR is released, and will not be assessed through the Schools Recommendation Program.

\*\*All applicants must also complete the Non-Academic Capability Assessment Tool (NACAT).

# Schools Recommendation Program

Together with schools, we've introduced a program that allows you to apply for our undergraduate courses and receive your offers much earlier in the year. Rather than an ATAR, your application is based on your school's recommendation.
