

Clinical Distinction Award Criteria

A student is eligible if:

- 1) They pass 95% OSCE Stations in the final two years of study in the MBBS and obtain at least an average of 5% above the pass mark for MCQ/EMQ exam held in Year 4 or
- 2) if they pass 90% OSCE Stations in the final two years of study in the MBBS and obtain at least an average of 10% above the pass mark for MCQ/EMQ exam held in Year 4 or
- 3) if they pass 85% OSCE Stations in the final two years of study in the MBBS and obtain at least an average of 20% above the pass mark for MCQ/EMQ exam held in Year 4.

Students are ineligible if they have failed a clinical year or receive a supplementary exam in the final year portfolio examination (Yr 4-5).
