Hello Faculty of Education Students,

Orientation marks the beginning of your university studies and is designed to help you settle into life at university. Orientation Week will provide you with information to fully prepare you for the start of semester, in addition to familiarising you with the services and facilities available on each campus. Attendance is critical for a positive and smooth start into your university life, this includes all mid-year intake students and any other first year students who didn’t attend Orientation at the beginning of the year.

THE DETAILS

PARKING: There is metered parking available around campus with free parking near the Leprena Student Accommodation. Given the large number of students on campus it is advised to carpool or catch the Metro

START TIME: You are expected to arrive at 9.45am for the session to commence at 10am sharp.

INTERNATIONAL STUDENTS: a reminder that you must register for both the International Orientation session and your Faculty Orientation session. Information about the International Orientation session can be found here: www.firstyear.utas.edu.au/orientation

WHAT TO BRING: It would be a good idea to bring a bottle of water, and a notepad and pen so you can take notes throughout the session.
