1 Executive Summary

All students undertaking College of Health and Medicine programs with a professional experience placement (PEP) component are required to comply with the College of Health and Medicine Safety in Practice Compliance and Risk Assessment Procedure.

These guidelines identify the student Safety in Practice Requirements compliance documentation and associated deadlines for completion and submission.

2 Implementation and More Information

2.1 Program PEP Administrators will:

- provide a copy of this document to all students enrolling in PEP programs; and
- administer student documentation submission compliance.

2.2 For further information, contact the PEP Program Administrator.

3 Safety in Practice Requirements Documentation Submission Deadlines

3.1 Students must complete the Safety in Practice Requirements documentation via the Safety in Practice Agreement Form (other requirements and forms are hyperlinked within the Agreement Form).

3.2 The College of Health and Medicine assesses student compliance with the following Safety in Practice Requirements:

- national criminal history;
- working with children registration
- medical, physical and psychological capacity to safely undertake the College of Health and Medicine Mandatory Functional Requirements; and
- infectious disease and immunisation status.

3.3 National criminal history and medical, physical and psychological disclosures, which are subsequently risk assessed for student capacity to practice safely, may inhibit student eligibility to participate in courses. Risk assessment must therefore, be completed prior to enrolment census date.

3.4 Newly enrolled students must complete and submit the Safety in Practice Requirements documentation to the Program PEP Administrator by:

- week two of semester one; or
- in case of late enrolment, prior to beginning study.

The Working with Children Registration Card and Immunisation Record Form/Card must be completed (with Hep B vaccination commenced) and submitted by week 1 of semester 2, unless required earlier by individual Program - Program to advise).
3.5 **Continuing students** must **submit** the Safety in Practice Requirements documentation to the Program PEP Administrator **by**:

- census date of semester one; or

- earlier as per any individual Program requirements (Program to advise).

3.6 Student non-compliance with these submission deadlines can lead to disciplinary action.

### 4 Submission Non-Compliance Procedure

Failure to meet the Safety in Practice Requirements Submission Deadlines in 3.4 or 3.5 above can lead to the following disciplinary procedure being initiated:

4.1 Student must meet with the PEP Administrator to receive formal notification of the outstanding Safety in Practice Requirements documentation and to sign Compliance Documentation Submission Form *(Appendix 1)*.

*(Failure to attend will result in referral to the Head of Program)*

4.2 Student will then have until the date/s specified on the Compliance Documentation Submission Form to submit the outstanding documentation.

*(Failure to submit will result in referral to the Head of Program)*

4.3 Student will then be contacted to attend an appointment with the Head of Program to submit the outstanding documentation directly.

*(Documentation will no longer be accepted by the PEP Administrator)*

4.4 The Head of Program has the discretion to initiate an allegation of general misconduct against any students who still fail to comply with the Safety in Practice Requirements Submission Deadlines under **Ordinance 9 – Student Discipline**.
