Dear members

The Unigym is excited to announce that our centres will be re-opening on Monday 29th June. To view the new opening hours and timetable options, please refer to our Unigym website and social media channels.

The Unigym remains committed to offering a safe and hygienic environment for all of our members. To make this possible, we have a list of measures we need to implement. We need your help to keep our facilities safe for everyone.

- Please DO NOT attend sessions if you are unwell, even if your symptoms are mild.
- Frequent hand washing is advised. Additional hand sanitiser stations have been installed throughout our Unigym centres.
- Your Unigym membership will be reactivated on Monday 29th June. For direct debit members, your first payment will be deducted on the 9th July. To remain on time stop (up until 30th October) please complete a Time Stop form and return to us on Monday 29th June.
- Our classes have been reduced in size in compliance with the Tasmanian Government ruling of physical distancing.
- Booking into classes can only be made online via Active Carrot.
- No towel, no entry.
- Lockers are limited, please bring only what you need for your visit.
- Members will be responsible for bringing their own mat and resistance bands to each session (no sharing).
- You are required to wipe down equipment before and after every use. Extra cleaning/sanitising spray will be made readily available in all areas of the centre.
- All indoor areas will be marked out to ensure that you can keep 1.5m between yourself and all other participants at all times. Outdoor activities
do not require zoned areas however, participants should be considerate about where they set up their equipment to ensure social distancing is maintained.

- No equipment will be loaned out for booking enquiries until further easing of restrictions for stage 3 are announced.
- We will be keeping a compulsory attendance register with contact information to ensure we can contact all participants if someone who has visited the Unigym contracts COVID-19.
- We respectfully ask that if you do contract COVID-19, that you alert us so we can ensure we comply with public health and safety reporting requirements.
- The Unigym strongly encourages all members to download the COVID Safety App.
- It is compulsory for all UTAS students and staff to complete the MyLO course before returning to the Unigym
- All community members are to be reminded that Unigym is operating in a COVID Safe environment, in which enhanced physical hygiene is required along with appropriate physical distancing.

We understand these changes will be challenging to begin with, but they are all necessary steps for us to ensure we have a safe space for our members and that we uphold our duty to limit the spread of COVID-19.

Thank you and we look forward to seeing you again soon!
