Where you submit certified copies of documents with a different name to that used in your application you must provide proof of any name change (eg Marriage Certificate, or Deed Poll).

- **Citizenship details**

A student's eligibility for Commonwealth support under the Higher Education Support Act 2003 is determined by their citizenship status. Accordingly, it is necessary to verify the citizenship status of students born overseas and to confirm their eligibility for the various forms of Commonwealth support available.

If you were born overseas you must attach a certified copy of your visa documents, citizenship certificate or passport, whichever is applicable.

- **Disabilities**

All information gathered regarding disabilities remains confidential. Requests for advice about support services, equipment and facilities will be forwarded to the Disability Liaison Officer for follow up contact. For more information on the Disability services available please go to the UTAS web page at: <http://www.studentservices.utas.edu.au/disability/> .

- **Enrolment Details**

Details of the correct unit of study codes and titles are available on the UTAS web page <http://courses.utas.edu.au/> . There is an on-line tour available which will help you to use the on-line course and unit handbook in order to select the units to enrol in for your cross institutional studies. Contact details for the Faculty offering the units you wish to be enrolled are available on the UTAS web page at:- http://www.studentcentre.utas.edu.au/enrolments/forms_files/AdvisorsLeaflet.pdf .

It is your responsibility to determine whether the units you wish to study at UTAS have prerequisite units that you must have previously completed to be eligible to study your chosen unit. A transcript of your results to show that you have met these prerequisites will be required.

You must provide certified copies of academic transcripts evidencing prior study where necessary, for example if there are pre-requisites for any units you wish to enrol in. If these transcripts include international qualifications then you must provide a certified copy of the full academic transcript in the original language and evidence of completion (if applicable), and full official English translations of these documents where the original language in this documents was not English.

You will also need to detail the year and semester you wish to enrol in, whether you will be attending on campus (A) or studying by distance (D) and what UTAS study centre/campus you wish to study at. The campus designations are 'W' for the Cradle Coast campus, 'H' for Hobart and 'L' for Launceston.
