Why choose The University of Tasmania?

Tasmania is unique. From our vibrant cities to the stillness of our World Heritage-listed wilderness, our incredible island is a place of contrasts – and we embrace its character in everything we do.

We offer great courses in an extraordinary location, and our teaching is supported by world-leading research, so you know you’re getting direct access to the best expertise. Our courses give you the opportunity to explore nature and access adventure while you study, through field work and hands-on learning experiences that take you underwater, over seas and across our incredible island.

No matter which University of Tasmania campus you choose to study at, you will be close to stunning wilderness and part of a vibrant and supportive community.

Scholarships and affordability

Our University offers a range of generous scholarships schemes for international students. Tuition fees for international students are affordable and Tasmanian cities have a lower cost of living than most other cities in Australia which allows for a more enjoyable student lifestyle.

Tasmania is unique. From our vibrant cities to the stillness of our World Heritage-listed wilderness, our incredible island is a place of contrasts – and we embrace its character in everything we do.

Excellence in teaching

The QS World University Rankings By Subject placed our University amongst the world’s top universities in a range of disciplines. The University’s Earth and Marine Sciences stands proudly in the top 50 in the world; Agriculture and Forestry in the top 100; Environmental Studies in the top 200; Sociology in the top 250; and Medicine and Life Sciences in the top 300.

The prestigious Academic Ranking of World Universities has ranked us in the top 500 universities in the world.

World-class research

In 2018, our University was ranked in the top 2 per cent of universities, worldwide. Our portfolio of research excellence across a broad range of subjects has been highlighted by the Australian Government. In their assessment, we received a rating of ‘at or above world standard’ in 60 out of 62 fields of research, with 21 fields being well above world standard. Further, in a recent assessment of our engagement and impact with research end-users the University received a rating of medium or high in over 95% of the fields of research assessed.

Smaller class sizes

As a medium-sized university with approximately 42,000 students, we provide smaller classes, personalised attention and ready access to lecturers and tutors for advice and support. Our dynamic international student body numbers around 7,000 students.

The real Australian experience

Tasmania provides an overwhelmingly English-speaking environment, and a traditional Australian culture, all in a unique location. You will be able to interact with staff and other students and the Tasmanian community, giving you the opportunity to improve your English and career prospects while enjoying a true Australian experience.

The Tasmanian lifestyle

We know that if you are studying in one of the world’s most extraordinary locations, you have to get outside, explore and live while you learn.

Study in a place unlike any other

There’s plenty to do in Hobart and Launceston, whether it’s enjoying the vibrant café and restaurant scene, shopping, live music, and museums and art galleries. Tasmania has stylish cafés, restaurants and bars, music and arts festivals, historic cityscapes on the water, soaring snow-capped peaks, adventure sports, World Heritage wilderness and sparkling beaches.

Hobart’s beautiful waterfront was recently listed as the sixth coolest neighbourhood in the world and our State was also named one of the Top Five Islands of the World by Travel and Leisure Magazine 2016. It’s a wonderful place to be a student.

Amazing destinations close to our campuses to explore

- Mona, the Museum of Old and New Art
- Cataract Gorge
- Mount Wellington
- Cascade Brewery
- Blue Derby mountain bike trails
- Bonorong Wildlife Rescue Sanctuary
- Hollybank Ziplining

Life in Tasmania

From our vibrant cities to the stillness of our World Heritage-listed wilderness, our island is an incredible place to explore.

Festivals
Tassie is well known for its year-round festival calendar, including:
• Falls Festival
• Mona Foma
• Dark Mofo
• BOFA Film Festival
• Festivale
• Festival of Voices
• Taste of Tasmania
• Ten Days on the Island.

Sport and adventure
Tasmanians love sport, but our State is also renowned for exciting adventure activities:
• hiking
• mountain biking
• rock climbing
• sailing
• sea kayaking
• surfing
• white water rafting

Food and beverages
Tasmania is famous for its gourmet dining. Some of the local specialties you can try while you’re here include:
• abalone and lobster
• cherries, berries and apples
• cheeses
• wine, cider and whisky
• leatherwood honey.

Shopping and markets
Tassie offers something for every taste. You will find an eclectic range of markets to keep you entertained, including:
• farmers markets
• street food stalls
• antique markets

Nature and sightseeing
Tasmania is famous for its stunning nature, with more than 42 per cent of the state protected in National parks and reserves. Locals, tourists and students alike love getting out to explore popular destinations including:
• Bay of Fires
• Bruny Island
• Cradle Mountain
• The Tarkine
• Three Capes Track
• Wineglass Bay.

While exploring Tasmania, you will get the chance to see many unique sights:
• the Southern Lights
• Tasmanian devils
• pademelons
• quolls.

“The Tasmanian landscape totally captured my attention. Tasmania has the most pure colour. I can see the true colour of nature here. That’s why I chose this place.”
Shanshan Ai
Master of Fine Art and Design
To make the most of your time in Tassie, we’ve made a checklist of just a few awesome things to do while you’re here. See if you can check them all off!

1. See a Tasmanian devil at Bonorong Wildlife Sanctuary.
2. Experience an Aboriginal smoking ceremony on kunanyi / Mt Wellington.
4. Go mountain biking at Maria Island National Park.
5. Be awed by the brilliant lights of the Aurora Australis.
6. See wombats in the wild at Cradle Mountain.
7. Go whale watching.
8. Take your selfie at picture-perfect Wineglass Bay.
9. Explore your dark side at Dark Mofo.
10. Zipline through the treetops at Hollybank Wilderness Adventures.
11. Dare to take a ghost tour of Port Arthur Historic Site.
12. Take a slide through Dismal Swamp.
15. Sample oysters on beautiful Bruny Island.
Airport pick-up
We offer an airport pick-up service for all new international students arriving in Tasmania for the first time. You need to request this after you have confirmed your accommodation arrangements and at least three days before you are due to arrive.
The service is free for students. However, family members or friends travelling with a University of Tasmania student will also be transported for a small charge if space is available.
Request your airport pick-up using the form available online at utas.edu.au/students/international-students/airport-pickup-request
Launceston campuses
The University of Tasmania’s main Launceston campus is located in the suburb of Newnham, a short drive or bike ride from Launceston’s city centre and overlooks the Tamar River. It is serviced by regular public transport and is close to local shopping centres.

The Newnham campus is home to the Australian Maritime College, Australia’s national centre for maritime education and training, which is renowned for its world-class teaching and research facilities.

The Inveresk campus is located adjacent to the Queen Victoria Museum and Art Gallery at the cultural precinct at Inveresk near Launceston’s inner city. The campus is home to the School of Creative Arts and Media and the renowned School of Technology, Environments and Design.

Sydney (Rozelle) campus
The University of Tasmania’s Rozelle campus is located in the inner western suburbs of Sydney, in close proximity to the Sydney central business district and regularly serviced by public transport. The University’s School of Health Sciences offers the two-year Fast Track Bachelor of Nursing course through the Rozelle campus.
Student support services

We want to make sure you succeed at University. Our committed staff and small class sizes mean you get the attention and support you need to achieve your goals. Here’s how we help you while you’re studying with us.

Academic success
Help improving your study skills
Our Student Learning Advisers, Student Learning Librarians and Student Learning Mentors all help you hone your language, academic, and information literacy and numeracy through workshops, individual consultations and drop-in sessions.

Peer Assisted Study Sessions (PASS)
PASS are helpful unit-specific study sessions led by students who have previously succeeded in the units you’re studying.

Careers
In addition to the work-based training that may be included as part of your degree program, we have a range of services available including mentoring, internships, industry networking experiences and volunteering opportunities. All of our students have access to Career Connect online to plan career paths, apply for jobs, and build networks with industry.

Wellbeing
Counselling
We provide confidential and professional counselling to our students.

Health conditions and disability
We provide practical assistance and support for any student with a permanent or temporary disability or health condition.

Sports and fitness
We have sport activities available on all campuses including social sport rosters and team sporting competitions. We have great Unigyms at our Sandy Bay and Newnham campuses with fully-equipped weights and cardio areas, and group fitness classes. There are also squash courts, tennis courts, and sports grounds. Visit utas.edu.au/sport

The Safe and Fair Community Unit (SaFCU)
SaFCU is a University-wide service providing information, support and advice to keep everyone safe and well.

Spiritual and pastoral care
We have faith centres on our Sandy Bay and Newnham campuses to support the spiritual wellbeing of all students.

Inclusion, diversity and equity
We are committed to creating an inclusive culture which promotes equality and values diversity so the rights and dignity of all our staff and students are respected.

Leadership and self-development
The Vice-Chancellor’s Leadership Program (VCLP)
Learn about leadership skills, volunteer, and help your peers. The VCLP helps you gain the skills and experiences to get a competitive edge in your career. Visit utas.edu.au/students

Accommodation
Choose the accommodation that suits you
We have a variety of great accommodation options including on and off-campus and residential colleges. Our Uni accommodation is generally within easy walking distance from campuses and provides study support and social and sports activities. Visit utas.edu.au/accommodation

Our Engineering students get the chance to build and drive a real race car.
Tasmanian International Scholarship (TIS)
Available only to international full fee-paying students, this scheme provides a 25 per cent reduction on published degree tuition fees for the duration of the course, providing you maintain satisfactory grades during your studies. No separate TIS scholarship application form is required as your eligibility for this scholarship will be assessed automatically when your application to study at the University is processed.

International Family Alumni Bursary
If you are an international applicant whose parent or sibling has studied at the University of Tasmania, you may be eligible for a 10 per cent fee reduction for the duration of your course.
You must fill out the Alumni Bursary Application, available at utas.edu.au/students/international-scholarships, to be considered for this fee discount. Please note that if you are offered a TIS or Foundation Studies Program Pathway Bursary discount the Alumni Bursary will not apply.

Foundation Studies Program to Degree Pathway Bursary
If you have completed the University’s Foundation Studies Program (FSP), the FSP to Degree Pathway Bursary provides you with a 10 per cent fee reduction on the registered tuition fees for your undergraduate degree.
This fee reduction is available for all undergraduate degrees including an honours program if applicable and applies from the start of your undergraduate degree.
If you have already been offered a TIS or Family Alumni Bursary you are not eligible for the FSP to Degree Pathway Bursary.

International Postgraduate Alumni Scholarship
If you are an international student who has completed an undergraduate degree at the University of Tasmania and are commencing a postgraduate coursework degree you will receive a 10 per cent fee reduction for the duration of your course. This is available for all postgraduate coursework courses.

Other Opportunities
For information on these and other scholarships available to international students, including those for postgraduate research candidates, please visit utas.edu.au/students/international-scholarships

We have a suite of generous international scholarships and bursaries to attract talented students from around the world.
Tasmania’s affordable cost of living means you can enjoy a quality university experience on a budget.

Financial requirements for your visa
In order to receive a student visa, you must show you have the financial means to study in Australia, including your travel expenses, tuition fees and living expenses. Visit the Department of Home Affairs website for more information homeaffairs.gov.au

Students with families
The school-aged children of many international students enrolled at the University of Tasmania are required to pay tuition fees to attend a Tasmanian Government School. Some exemptions apply, including for the children of Australia Awards Scholarship holders. For more information, please visit the international students’ Dependent Students pages of the Tasmania Department of Education website at education.tas.gov.au

Rough guide to living costs
The following is a rough guide to living costs for Tasmanian international students. Of course, these will vary depending on your preferred standard of living.

Accommodation
Hostels and guesthouses: $90 to $150 per week
Shared rental: $100 to $215 per week
Single rental: $80 to $140 per week
On campus: $185 to $280 per week
University Homestay: $320 per week

Living expenses
Groceries and eating out: $140 to $280 per week
Electricity and utilities: $12 to $28 per week
Phone and Internet: $20 to $55 per week
Public transport: $30 to $60 per week
Entertainment, sport, personal care: $80 to $150 per week
Study expenses (books, photocopying, stationery, etc.): $1000 per year

Cost of living

“I really enjoy the life here, and the people here are very friendly and very nice.”
– Ye He (China), PhD

Real-life experience
At the University of Tasmania, we encourage you to focus on your studies but recognised that having the opportunity to work* in Australia can help you adapt to a new culture, improve your English and provide you with real-life work experience to assist you when looking for a permanent job after graduation.

* Please ensure you review the conditions on your student visa in relation to working hours.
Academy of the University

We have a variety of accommodation options, including on and off-campus and residential colleges, so you can choose what suits you. Our student accommodation is generally within easy walking distance from campuses and provides study support and social and sports activities.

University student accommodation

The University provides on-campus and off-campus student accommodation in Hobart and Launceston through Student Living. Most consist of single rooms with shared facilities, as well as six-bedroom apartments and a limited number of one and two-bedroom flats. In 2020, weekly rates range from $167 to $241 per week for on-campus accommodation and $244 to $428 for off-campus accommodation.

For more information, visit utas.edu.au/accomm.

Jane Franklin Hall residential college, Hobart

In addition to providing accommodation and pastoral support, Jane also provides tutorials and all meals as part of the fee, allowing you to concentrate on studying and making the most of university life. A free bus service connects students to the Hobart and Sandy Bay campuses.

For more information, visit jane.edu.au.

Homestay

With Homestay accommodation in both Hobart and Launceston you live with an Australian host so you can practice your English and learn more about Australian culture in a safe and rewarding environment. Please note that all students aged under 18 are always placed in approved Homestay accommodation.

For more information, visit utas.edu.au/accomm.

Under-18 accommodation

If you are under 18, you can stay in Homestay accommodation. Please refer to the Homestay information in this section.

For more information, visit utas.edu.au/accomm.

Private rental housing

If you’re coming to Tasmania with your family, your own rental property is a good option. Private rentals are advertised by local estate agents or online at realestate.com.au/rent.

Shared rental accommodation

Sharing a rental house off-campus with other students is a popular option for many university students. Shared rental accommodation is advertised on noticeboards around the University (especially the Tasmanian University Union Building), and on websites such as flatmates.com.au.

The following suburbs are generally close to our campuses with ready access to transport which you might wish to consider as starting points:

- Hobart and Sandy Bay campuses — Battery Point, Dynnyrne, Hobart CBD, Sandy Bay, North Hobart, South Hobart and West Hobart.
- Newnham and Inveresk campuses — Invermay, Mowbray, Newnham, Alabvale, East Launceston and Launceston CBD.

Arranging accommodation

You need to make your own arrangements for accommodation and ensure you have somewhere to stay for when you first arrive in Tasmania.

If you want to apply for on-campus accommodation you should apply as early as possible — at least three months before you arrive.

If you are interested in shared or private rental housing it is usually better to wait until you arrive in Tasmania but at the same time have some temporary accommodation arranged for your arrival.

Want more information?

If you have any further accommodation questions you can contact Student Living at enquiries@accommodation.utas.edu.au.
English Language Programs

UTASAccess — Direct Entry

UTASAccess — Direct Entry is an alternative English language pathway into an undergraduate or postgraduate degree at the University of Tasmania. It is taught at both the Hobart and Launceston campuses.

This multi-level program provides 20 hours per week of intensive English language tuition plus optional after-class lessons. Each level comprises a five-week module. You must achieve a set mark before you can progress to successive levels.

Subject to your assessed English level, you can start at any of the available UTASAccess Levels (see Table 1, on page 24). Depending on your intended degree, completion of either Level 6 or Level 7 with the required pass marks satisfies the English requirement into all University of Tasmania courses, including those at the Australian Maritime College. See Pathways to University diagram on page 26.

Please refer to page 28 or visit utas.edu.au/courses to confirm the English language requirements for your intended degree.

For more information, visit utas.edu.au/elc/direct-entry-academic-program

* Level 1 is taught at a pre-intermediate standard.
** Successful completion of Level 5 will satisfy the minimum English language requirements for the Foundation Studies (Standard) Program at the University of Tasmania.

UTASAccess-English is designed to meet the needs of a broad range of English learners, whether you need to improve your skills for further study, career, travel opportunities or just out of interest.

This multi-level program provides 20 hours per week of intensive English language tuition, as well as optional after-class opportunities for further language extension.

For more information, visit utas.edu.au/elc/access-english

The English Language Centre is developing a new curriculum. It is currently progressing through the required approval process. It contains four General (Elementary to Upper Intermediate) and two English for Academic Purpose levels. All levels will be 10 weeks in length. We expect the new curriculum to be introduced mid-2020 and eventually replace current offerings. The new curriculum will provide General English as well as Direct Entry pathway for students looking to satisfy English entry requirements.

UTASAccess — English

English Language Programs

These include direct entry English programs into degree courses General English and Study Tours.

The English Language Centre is a member of English Australia, NEAS endorsed and is a registered test centre (IELTS, OET, PTE).

While you are studying with us you will have access to all University of Tasmania facilities and services.

* Level 1 is taught at a pre-intermediate standard.
** Successful completion of Level 5 will satisfy the minimum English language requirements for the Foundation Studies (Standard) Program at the University of Tasmania.
Our programs are nationally recognised and equip students with the content, English language and tertiary study skills needed to excel at higher education programs in Australia.

All programs at University of Tasmania International Pathway College are delivered by UP Education.

**Foundation Studies Program**

The Foundation Studies Program provides a direct pathway to University of Tasmania undergraduate degrees for international students who may not have the academic requirements or English skills to begin their chosen degree program.

Available in three delivery modes and five subject streams, the program provides a strong foundation for further study in a supportive environment.

Students must be at least 17 years old and have completed the equivalent of Year 11 of Australian secondary school. To progress to their chosen degree, additional GPA, English, and other requirements will need to be met.

For full details about the Foundation Studies Program, visit [partnerships.up.education/utas](http://partnerships.up.education/utas)

---

**International Pathway College**

The University of Tasmania International Pathway College is based at the Sandy Bay Campus in Hobart and helps prepare international students to gain entry to their target university course of study.

**International First Year Diploma**

The Foundation Studies Program provides a direct pathway to the second year of University of Tasmania undergraduate degrees for international students who may need extra support in their first year of study. Successful completion of an International First Year Diploma will allow students to transfer to their chosen degree program’s second year.

- The International First Year Diploma – Science enables students to enter the Bachelor of Science, year two upon completion of all units with a mark of 50% or higher.
- The International First Year Diploma – Business enables students to enter the Bachelor of Business, year two upon completion of all units with a mark of 50% or higher.
- The International First Year Diploma – Engineering enables students to enter the Bachelor of Engineering (Specialisation) with honours, year two upon completion of all units with an average mark of 70% or higher.

Students must be at least 17 years old and have completed the equivalent of Australian secondary school with a grade equivalent to ATAR 50 (Business or Science diplomas) or ATAR 70 (Engineering diploma).

For full details about the International First Year Diploma, including full exit requirements, visit partnerships.up.education/utas

**Pre-Masters Program**

The Pre-Masters Program provides a direct pathway to postgraduate programs at the University’s College of Business and Economics for international students who may need extra support before they begin their master’s degree.

The program is two semesters long. The first semester is a ‘bridging’ semester focusing on developing academic knowledge and skills, and the second semester the second semester is discipline-specific, focusing on developing business knowledge and skills.

Students must hold an associate degree or higher.

For full details about the Pre-Masters Program, visit partnerships.up.education/utas

**Study abroad and exchange**

Whether you want to study for a semester with us here in Tasmania or you are enrolling full-time at the University of Tasmania and want to study some subjects overseas, we can help you expand your horizons.

**To Tasmania**

Inbound study abroad and exchange students study for one or two semesters at our University choosing from a range of subjects across the University. If your current university has a formal exchange agreement with the University of Tasmania, you can study with us as an inbound exchange student. Whether your university has an agreement with our University or not, you can still study with us for one or two semesters as a fee-paying study abroad student.

**From Tasmania**

You don’t need to move away from Tassie to explore the world. Our student mobility program means you can not only travel while you study, you can get credit towards your course while you do it. Current University of Tasmania international students can get a truly global education with our outbound Student Exchange Program. Study for a semester or two at one of our 160 partner institutions across 30 countries around the world to really expand your academic experience and career opportunities.

We also have financial support and scholarships available to support your overseas study exchange.

For more information, visit [utas.info/ge-outbound](utas.info/ge-outbound)
Your study options

We offer a wide choice of generalist and specialist degrees at undergraduate and postgraduate levels. We also offer pre-degree pathway programs and English language programs.

Not all courses are offered at every campus — for more information, see table on pages 34–45 or visit utas.edu.au/courses

English Language Programs
Whether you want to improve your English to qualify for further study, or to enhance job opportunities, or just to build your language skills, we have a program to suit you:

- UTASAccess-Direct Entry is designed for international students intending to enter an undergraduate or postgraduate degree at the University of Tasmania who do not yet meet the University English language entry requirements.
- UTASAccess-English is designed to meet the needs of a broad range of English learners. Whether you need to improve your skills for further study, career, travel opportunities or just out of interest, a UTASAccess-English course can provide you with the necessary tools for effective communication.

International Pathway College
If you would like to embark on an undergraduate or postgraduate degree but don’t yet have the academic skills to do so, the International Pathway College can provide the skills and knowledge you need to successfully progress to further study. For more information, see page 26.

Associate degrees
An Associate degree in a two-year university qualification that focuses on practical study. Designed in consultation with local industry, it will equip you with the real-world knowledge and skills required to step into a specific industry. You will also gain valuable transferable skills needed to navigate your career into the future.

Undergraduate
An undergraduate degree is typically a three-year, full-time course. In addition to face-to-face classes, we also offer distance study options for some courses to international students based outside Australia. For many courses there is a range of units available over the summer, spring and winter breaks.

Many of our courses are accredited and professionally-recognised by industry and professional bodies in Australia and abroad. Professional recognition of degrees in areas such as accounting, engineering, business, IT, law, health or education is necessary to work in these fields and graduating with a University of Tasmania degree in these fields allows you to pursue rewarding careers in these professions.

Double or combined degrees
Double undergraduate degrees merge the core requirements of two different degrees. This lets you graduate with the equivalent of two undergraduate degrees faster than it would take to do two separate degrees.

Double degrees can give you greater depth of knowledge in more than one field and multidisciplinary skills. This gives you more career options. If you’re academically capable and want to challenge yourself, a double degree is an ideal way to get the most from your time at our University.

Honours
Honours can help you gain deeper knowledge in your specialist undergraduate area. The additional honours year can mean you start your career higher up the ladder and progress in your career faster.

It can also lead to postgraduate study and a career in research or academia.

Master’s by coursework
Postgraduate degrees vary in duration and offer a variety of exit options including graduate certificates, graduate diplomas, and master’s. Depending on the course you choose, your master’s by coursework degree may be by coursework only, or a combination of coursework and research.

Many of our postgraduate coursework programs are accredited and professionally-recognised by industry bodies. Postgraduate research degrees by research (master’s or PhD) are known as Higher Degrees by Research (HDR). Prospective candidates considering an HDR should have previous undergraduate or postgraduate qualifications including a substantial research component or project.

If you are interested in studying an HDR, visit utas.edu.au/GR

Higher Degrees by Research

Macquarie Island, Tasmania.

### Course Information

#### Management Bachelor P3E
- **Fee:** $31,950
- **Duration:** 3 semesters
- For more information, please visit: utas.edu.au/courses/p3e

#### Global Logistics and Maritime Bachelor 13T
- **Fee:** $31,950
- **Duration:** 3 semesters
- For more information, please visit: utas.edu.au/courses/13t

#### Media Bachelor 23Q
**Fee:** $31,950
**Duration:** 3 semesters
**Distance studies:** Yes
For more information, please visit: utas.edu.au/courses/23q

#### Engineering (Maritime and Logistics Management) Master 27C
- **Fee:** $35,450
- **Duration:** 2 years
- Requires 2 years' work experience for those without it
For more information, please visit: utas.edu.au/courses/27c

#### Applied Science (Marine Engineering) Bachelor 23R
- **Fee:** $31,950
- **Duration:** 3 semesters
- **Distance studies:** Yes
For more information, please visit: utas.edu.au/courses/23r

#### Justice Studies Bachelor 53E
- **Fee:** $32,950
- **Duration:** 3 semesters
For more information, please visit: utas.edu.au/courses/53e

#### Nursing (Overseas Registration) Bachelor H3D
- **Fee:** $33,950
- **Duration:** 3 semesters
- English, science and humanities recommended, but not required
- For more information, please visit: utas.edu.au/courses/h3d

#### Marine and Antarctic Science Postgraduate L6B
- **Fee:** $21,950
- **Duration:** 0.5 years
- For more information, please visit: utas.edu.au/courses/l6b

#### Laws Bachelor 63I1
- **Fee:** $31,950
- **Duration:** 3 semesters
- Requires a bachelor's degree or equivalent
- IELTS 6.5 (no band less than 6.0)
- For more information, please visit: utas.edu.au/courses/63i1

#### Business Administration (Advanced) Master M7E
- **Fee:** $32,950
- **Duration:** 2 semesters
- Requires a science-based bachelor's degree
- IELTS 6.5 (no band less than 6.0)
- This course does not lead to registration as a pharmacist
- For more information, please visit: utas.edu.au/courses/m7e

#### Laboratory Medicine Postgraduate M7L
- **Fee:** $37,950
- **Duration:** 2 semesters
- Requires a science-based bachelor's degree
- IELTS 6.5 (no band less than 6.0)
- This course does not lead to registration as a pharmacist
- For more information, please visit: utas.edu.au/courses/m7l

#### Psychological Science Bachelor A3A
- **Fee:** $31,950
- **Duration:** 3 semesters
- IELTS 7.0 (no band less than 7.0)
- For more information, please visit: utas.edu.au/course/a3a

#### Nursing (Overseas Registration) Bachelor H3N
- **Fee:** $33,950
- **Duration:** 3 semesters
- IELTS 6.5 (no band less than 6.0)
- For more information, please visit: utas.edu.au/course/h3n

## Intake and Start Dates

**Term 1:**
- 11 Feb – 13 Mar
- 24 Aug – 25 Sep
- 4 May – 5 June
- 9 June – 10 July

**Term 2:**
- 16 Mar – 24 Apr
- 4 Oct – 5 Nov
- 12 May – 20 May

**Term 3:**
- 20 Jun – 28 Jun
- 11 Nov – 19 Nov
- 8 December – 16 December

**Note:** Winter, spring or summer school options available. Please visit: utas.edu.au/international/courses for more information.

*Note: A=5; B=4, C=3; D=2; E=1*

Degree programs excluded from the above entry requirements are listed below.
- Bachelor of Engineering (Specialisation) with Honours — all majors
- Bachelor of Laboratory Medicine
- Bachelor of Medical Research
- Bachelor of Medicine and Bachelor of Surgery
- Bachelor of Nursing — Fast Track
- Bachelor of Pharmacy with Applied Honours

Our students learn to support sustainable agriculture and food sectors through high-impact research.

#### International Qualifications

- **International Cambridge A Levels**: 3 A Level subjects including any prerequisite subjects (A = 5, B = 4, C = 3, D = 2, E = 1). Max 2 AS Level subjects may be substituted for 1 A Level subject (A2, B1, C1, D1, E1). Provided the AS subject has not been taken at A Level. Calculation can be based on 2 A Level sittings that is within 10 months of each other (as Jan 2016/Aug 2016).

- **International Baccalaureate (IB) Diploma**: Overall average for subjects excluding workplace preparation or open courses.

- **International Qualifications**: International Cambridge A Levels and other qualifications are accepted.

### Bangladesh

- **Bangladesh Higher Secondary Certificate**: Overall GPA awarded to applicants with a 5.0 CGPA.

### Bhutan

- **Bhutan Higher Secondary Education Certificate**: Aggregate calculated on the basis of the best 4 subjects. Pass grade is 40%.

### Canada

- **Ontario Secondary School Diploma (OSSD)**: Overall average of the best 6 Grade 12 subjects excluding workplace preparation or open courses.

### China

- **Senior Middle 3 (Gao San)**: Overall average for all subjects taken.

### Fiji

- **Fiji Seventh Form Certificate**: 36 34 31 29 27 24 24 24 24 24

### France

- **Baccalaureat General**: Individual subjects are marked on a scale of 1-20 (10 is the lowest passing grade).

### Germany

- **Abitur**: Scale of 1-5; Lower score = better mark.

### Ghana

- **WASSC (Through WAEC)**: Total based on 5 best subjects. Must include English (minimum C), includes any pre requisites, excludes non-English languages.

### Hong Kong

- **Hong Kong Diploma of Secondary Education (HKDSE)**: Calculated from the best 5 subjects (4 cores + 1 elective) from category A or C. Minimum Level 5 in Category A required for prerequisites. Minimum Level 2 for other subjects. Category A scoring: Level 1 = 1, Level 2 = 2, Level 3 = 3, Level 4 = 4, Level 5 = 5, Level 5* = 5.5, and Level 5** = 6. Category C scoring: A=5, B=4, C=3, D=2, and E=1.

### India

- **All India Senior School Certificate (AISSC); Indian School Certificate (ISC)**: Accepted State Boards of Education.

### Indonesia

- **SMAS**: Overall average of grades from 5th and 6th semesters.

How to apply

You can apply directly to the University of Tasmania.

1. Find a course
View our courses online
utas.edu.au/courses
For information or advice, please call +61 3 6226 6200 or email your.study@utas.edu.au

2. Prepare your documents
Prepare electronic copies of the documents you need to complete your application.
These may include:
• evidence of your English Language proficiency (e.g. IELTS or TOEFL)
• evidence of your academic qualifications, and
• evidence of your previous studies if you are applying for recognition of prior learning including official course and unit outlines.
All the documents provided must be the original document or a certified copy.
Delays in processing times may be affected if all documents are not provided on initial application.

3. Lodge your application
(a) Apply online at international-applications.utas.edu.au. Our International Admissions team will contact you if we require any further information from you.
(b) Apply through an authorised University of Tasmania agent
IMPORTANT: If you, or your agent, submits an application without all the documents then there may be delays to the processing of your application. This includes requests and supporting documentation for credit/advanced standing.

4. Apply for a scholarship and/or accommodation
We have a number of scholarships specifically designed for international students. Most of these are assessed at the time of application for your degree program but some require a formal scholarship application.
For more information including scholarship closing dates, please visit utas.edu.au/students/international-scholarships
We have a range of student accommodation options available in Tasmania. Apply early to increase your chances of securing your preferred location.
For more information, please visit accommodation.utas.edu.au

5. Accept your offer and enrol
On receipt of your Letter of Offer, please follow the instructions outlining how to accept.
Once you have accepted your place, you will need to enrol in your course.
For more information, please visit utas.edu.au/students/starting-uni/first-steps

Are you eligible for advanced standing?
If you have previously studied, you may be eligible for advanced standing. If you are eligible for advanced standing, you may not have to complete all of the subjects listed in your course and you could graduate sooner.
You can apply for advanced standing at the same time as applying for your course.
For more information, visit utas.edu.au/international/applying/how-to-apply/degrees-by-coursework/application-checklist
More information

To extend your knowledge about the University of Tasmania, please visit our website
utas.edu.au/international

You can discover more about our history, recent research achievements, courses offered and the application process.

Chinese students
Please visit our Chinese website utaschina.cn

About Tasmania
