

Import Notification – Nursery Stock

This form must be completed for all consignments of nursery stock imported to Australia with the exception of:

- bulbs grown in open quarantine at a Class 6.11 Approved Arrangement site (AA); and
- 6 or less orchid tissue cultures imported through the airport as accompanied baggage.

This form must be completed and faxed or emailed to the relevant regional office:

- **prior to shipment** of the container for **Full Container Load (FCL) shipments**
- at least **7 working days prior to the arrival** of the consignment for **NON-FCL shipments**.

Please complete all fields below and return to the appropriate Department of Agriculture and Water Resources Biosecurity office (see page 2)

Consignment type:	Shipping method:	Nursery stock type:
<input type="checkbox"/> FCL <input type="checkbox"/> Non- FCL	<input type="checkbox"/> Airport - accompanied baggage <input type="checkbox"/> Air Cargo <input type="checkbox"/> Sea Cargo <input type="checkbox"/> Mail	<input type="checkbox"/> Tissue culture <input type="checkbox"/> Budwood <input type="checkbox"/> Bulbs <input type="checkbox"/> Bare-rooted <input type="checkbox"/> Cuttings
Importer/company name (include contact details and/or broker name and contact details)		
Exporter name and contact details		
Import Permit number(s)		
Date of arrival (if not confirmed provide best estimate)
