RESIDENTIAL PARKING PERMITS

GENERAL CONDITIONS FOR ISSUE OF RESIDENTIAL PARKING PERMITS

Issue, Display and Other Driver Responsibilities

1. A Residential Parking Permit will be issued following approval of an application by UTAS Student Living and payment confirmed.
2. The permit should be placed on the bottom left hand side of the front windscreen on a clear, untinted area. The permit must be clearly visible from the outside of the vehicle whenever the vehicle is parked in a residential permit parking zone.
3. The permit must be removed from the vehicle if the permit holder ceases to own that vehicle or if the permit holder ceases meeting the permit conditions (i.e. ceases to be a student resident of the University) and be returned immediately to Student Living, Private Bag 94, Sandy Bay Campus.
4. Old permits must be removed before placement of a new permit.
5. Residential Parking Permits are not transferrable between student residences. They are only valid at the residential site specified on the parking permit issued.
6. Sandy Bay campus residential parking permits have Zone 1, 2 or 3 displayed on the permit. The permit is only valid in the Zone specified. Residential parking permit holders must park in the Zone specified on the permit.
7. Sandy Bay residential parking permit holders must not park or store vehicles in neighbouring residential streets located at the top of the College Road student precinct (i.e. Oberon Court and Baintree Avenue).
8. Residential parking permits entitle the permit holder to park in any Student Permit Parking areas on the Sandy Bay and Newnham campuses. Permit holders do not need to obtain a separate Student Parking Permit.
9. If a permit is lost or destroyed a replacement permit may be issued on payment of $25.00. Requests for replacement permits should be made to Student Living. Satisfactory information about the loss/destruction must be provided with the request.
10. A permit may be used for more than one vehicle. It is the driver’s responsibility to change the permit to the vehicle in use.
11. Vehicles displaying permits may not park in voucher-controlled areas unless authorised to do so by a valid voucher clearly being displayed on the vehicle.
12. Permit holders should ensure they abide by all parking signage including any parking restrictions.
13. The University reserves the right to not issue a permit, or to cancel a permit at any time in accordance with the University’s By-Laws.

Issue of Infringement Notices

1. It is the vehicle driver’s responsibility to take note of any parking restrictions or changes to parking conditions which may be current at the time.
2. Infringement notices may be issued at any time throughout the year.
3. Infringement notices will not be withdrawn if issued in accordance with the University’s By-Laws and these General Conditions, or in accordance with any other valid instrument governing parking at University campuses and sites.
4. Any appeal against an infringement notice must be made using the University’s on-line parking appeal form which can be found on the Campus Services website at https://www.utas.edu.au/campus-services/parking/appeal#form. Appeals must be lodged within five (5) days of the infringement issue date. This site also contains examples of circumstances which are not valid reasons for cancellation of an infringement.

Further information about parking at the University of Tasmania, including details of parking regulations, offences and penalties is referred to in the University By-Laws https://www.utas.edu.au/__data/assets/pdf_file/0019/77302/By-Laws-2019.pdf, and on the Campus Services website at https://www.utas.edu.au/campus-services/parking
