REGISTERED NURSE, SCOTTSDALE

ABOUT SCOTTSDALE

Scottsdale lies around 63km north-east of Launceston and 22km south-east of the coastal town of Bridport. Scottsdale is the largest town in the Dorset region and has a rich agricultural and forestry history. Surrounded by green fields and blue mountains, its fertile soil and mild climate are ideal for farming.

ABOUT RURAL PLACEMENTS

A rural placement offers you:

- First-hand experience of a rural lifestyle and work environment
- Exposure to a more diverse range of experiences
- Extra support including learning and teaching, social and accommodation support
- Opportunities to connect with other students
- Potential job opportunities – there is a shortage of rural health professionals ... experiencing rural practice and engaging with the community could entice you to work here
- An opportunity for so many great experiences and to see and do things that you otherwise might not

ABOUT ME

I have lived in the Dorset community my entire life, more specifically Bridport. I currently work as a Registered Nurse at North Eastern Soldiers Memorial Hospital and the Acute Medical Unit at the Launceston General Hospital.

I have three busy children, with whom my husband and I enjoy spending time with playing sports, fishing, camping, skiing and diving.

We live on a small hobby farm with our dog, cat, chooks, horse and goats.
