

ANNE CLARK

REGISTERED NURSE, NEW NORFOLK

ABOUT THE DERWENT VALLEY

The Derwent Valley is a beautiful region taking in the many small towns North of Hobart on the upper stretches of the Derwent River. The largest town in the region is New Norfolk.

New Norfolk is the third oldest settlement in Tasmania, established by evacuees relocated from Norfolk Island after the island prison was abandoned in 1807. It is a bustling town with a rich history, quality produce and pretty rural scenery.

ABOUT RURAL PLACEMENTS

A rural placement offers you:

- First-hand experience of a rural lifestyle and work environment
- Exposure to a more diverse range of experiences
- Extra support including learning and teaching, social and accommodation support
- Opportunities to connect with other students
- Potential job opportunities – there is a shortage of rural health professionals ... experiencing rural practice and engaging with the community could entice you to work here
- An opportunity for so many great experiences and to see and do things that you otherwise might not.
