HOW TO NAVIGATE ERM

Your 1-page navigation guide!

To provide feedback or suggestions, please use the form located on the ERM website:

www.utas.edu.au/research-admin/research-integrity-and-ethics-unit-rieu/erm
Step 1
Ethics Review Manager (ERM) is used at the University of Tasmania for all Human and Animal research ethics applications.

Step 2
After logging in, create a new application by clicking "Create Project" on the left-hand side.

Step 3
Enter your "Project Title", select the relevant form under "Main Form", click "Create"

Step 4
Click on the first available (blue) panel in the "Navigation" section to get started on your application.

Step 5
There is guidance / instructions within each form, to view click the information icon.

Step 6
There is help and additional information under the "Help" tab in the FAQ list.

Communication
Acknowledgements and notifications will come from donotreply@infonetica.net.
