

UNIVERSITY of  
TASMANIA

# Apply for a research degree scholarship today

Are you interested in studying a research degree on the Cradle Coast? Then apply for one of our Destination Australia Scholarships today.

For a Master of Research, you could be eligible to receive a living allowance of \$28,092 p.a.\* for up to two years. If you study a PhD, you could be eligible for up to three and a half years.

The following research projects are available:

- Investigating the community impact and value of regional arts and cultural festivals (College of Business and Economics)
- Performance reporting of waste management data by Australian Local Government Agencies (LGAs) (College of Business and Economics)
- Understanding the place of entrepreneurship in Tasmania after the COVID-19 pandemic (College of Business and Economics)
- Working hours, gender diversity and health in the construction industry (College of Business and Economics)
- Using locally grown feed ingredients in Tasmanian aquafeeds to enhance mineral nutrition of Atlantic salmon and the human consumer (College of Sciences and Engineering)
