

Quality Assurance Policy

Version 1 – Approved 25 September 2020

Purpose:

The University of Tasmania maintains a systematic approach to the quality assurance of all its activities to ensure that it: complies with legislative and regulatory requirements; achieves its strategic objectives; meets the expectations of students, staff, partners and other stakeholders; and maintains and enhances excellence and good standing across all its activities.

1	Quality assurance	Responsible
1.1	The University will systematically integrate quality assurance through its processes for admissions, teaching, assessment, research and engagement.	Provost
1.2	The University will meet or exceed the regulatory, legislative and sector standards for its quality assurance functions.	Provost
1.3	Quality assessments will be made holistically, consider process compliance, and define appropriate outcome measures for such assessments.	Provost
1.4	Quality assurance will be applied in a consistent and systematic manner in relation to core business and organisational units.	Provost
1.5	Quality assurance activities will be evidence-based, efficient, rigorous, transparent and impartial.	Provost
1.6	Regular review of quality assurance activities will be conducted by qualified staff not otherwise engaged in their delivery.	Provost
