

# Expedition Medicine

## Dates:

11 - 18 May 2024

27 July – 3 August 2024

9 – 16 November 2024

## Where:

Mount Cameron Field Study Centre, Mount Cameron, Tasmania.

## Cost:

\$5,990 (GST incl) for Health Professionals

\$2,995 (GST incl) for Non-health Professionals

\$5,434 for students undertaking the Graduate Certificate in Healthcare in Remote and Extreme Environments (M5A)

These eight day intensive and practical residential courses are offered by the University of Tasmania in partnership with the Australian Antarctic Division.

**ACRRM and RACGP QI&CPD points can be claimed for this course.**

This is a stand-alone course or can be taken as an elective unit in the Health Care in Remote and Extreme Environments program. This course will enhance your theoretical and practical knowledge of:

- Pre-expedition planning and medical kits
- Wilderness emergency medical response
- Environmental medicine (cold injury, high altitude medicine and avalanche burial and rescue)
- Search and rescue
- Steep terrain rescue
- Use of stretchers and splints
- Leadership and teamwork
- Remote area communications
- Navigation

Numbers are strictly limited. Register from January 2024 at [utas.edu.au/medicine-short-course](https://utas.edu.au/medicine-short-course)
