BREAKFAST WITH
PETER GARRETT
& RICHARD ECCLESTON
FRIDAY 6th NOVEMBER - 7.00am

Big Blue Sky will track Garrett’s journey "from the northern suburbs of Sydney through to university, then embarking on a career that would see Midnight Oil become one of Australia’s biggest bands to his time as an environmental activist and concluding with the most recent period as minister in two Labor governments".

Richard Eccleston is Professor of Political Science and founding Director of the Institute for the Study of Social Change at UTAS. A specialist in domestic, comparative and international political economy, his conversation with Peter Garrett promises to be dynamic and challenging.

Fullers Bookshop invites you to join Peter Garrett for a breakfast at Wrest Point Casino. Fullers Bookshop will donate all profits to the Smith Family in order to support their learning programs that assist disadvantaged children.

To be held at Wrest Point Casino 410 Sandy Bay Rd, Sandy Bay
