

PebblePad@UTAS

Accessing your PebblePad account

All staff and students have access to a PebblePad learning space. Go to the [PebblePad page](#), select *Login* and *I use PebblePad through my university/organisation*. Choose *login* and select UTAS from the list. This gives you access with your UTAS single sign-on.

PebblePad Visit to UTAS

The CEO and founder of PebblePad, Shane Sutherland and his team, Australian Director, Alison Poot and Development Director, Toni Lavender, visited UTAS to help us conceptualise how we can use PebblePad to support and assess all stages of the student learning journey.

Here is the link to [Shane's presentation](#) in Launceston on the 4th of April.

CoP: Using PebblePad to support the learning journey at UTAS

Interest in PebblePad is growing across the University of Tasmania. We would like to establish a community of practice to bring together educators and developers who are interested in using PebblePad to support students with their learning journeys. If you would like to join the PebblePad@UTAS Community of Practice, [please register your interest](#). We will send an invitation and details out after Easter.

The PebblePad Community

The online PebblePad Community provides an opportunity to stay informed, make connections and find out about innovative applications of PebblePad around the World. The Community page is linked directly from your PebblePad+ dashboard (under the burger menu) or you can go to the [PebblePad Community web page](#). You may wish to [subscribe to the digest](#) and receive fortnightly updates on PebblePad Community activity. You might also like to subscribe to [the PebblePad Blog](#)

PebblePad help

If you, other staff members or students need help with PebblePad, you are welcome to share or use the PebblePad help email address.
