Children’s University Tasmania July Holiday Programs
North, North West, South

Who is this for?
Children’s University participants and their families, school coordinators at CU schools

What is the aim?
- To provide quality learning experiences
- To build a relationship between students and their families with the University of Tasmania
- To build awareness of study and career pathways

What will we learn?
- Varies depending on learning activities
- Roles and tasks of University staff and/or Learning Destination staff
- Study and career pathways
- Knowledge about a university campus

What will we do?
- Visit a University of Tasmania campus and/or Learning Destinations
- Participate in validated learning activities to receive stamps in Passport to Learning
- Meet and interact with University of Tasmania and/or Learning Destination staff
- Become familiar with the campus/ Learning Destination

Joining Children’s University
- Children’s University Tasmania is licensed by Children’s University Australia and delivered by the Peter Underwood Centre at the University of Tasmania.
- Children’s University works with schools to encourage and celebrate participation by children aged 7-14 years in extracurricular learning activities.
- More information is available on the CUA website and a brief video from 2017 graduations is available here.
- To enquire about Children’s University Tasmania please email CU.Tasmania@utas.edu.au
