We suggest you print off these instructions to assist in your application process. If you have problems and need more help, please reach out – we are here to help you in any way we can.

If you have previously completed one of our MOOC courses, do not use your login from the MOOC to SIGN IN. The University application process is different and does not link with your MOOC profile.

Ensure you are applying with a laptop/PC rather than a mobile or tablet device. Please note that our supported web browsers for the online application are Google Chrome, Mozilla Firefox and Safari. Microsoft Edge and Internet Explorer will not work for our online application portal.

Go to https://student-utas.studylink.com/ - We recommend that you save or bookmark this link as you will need to revisit this page and login after you have submitted your application to accept your letter of offer.

Create your StudyLink account

All fields with a red star must be completed.

Click Register when you have completed these details.
Now that you have created your StudyLink account you can use your email and password to Login to the original StudyLink screen – https://student-utas.studylink.com/. You will need to do this regularly to communicate with our International Admissions Team and to check the status of your application as it is being assessed.

It is now time to select the course you would like to apply for. We will use the example of our Master of Dementia Program (M7X) for this guide.
This progress bar will appear at the top of each page of the application. This will indicate the step you are up to. There are four main steps to this application process.

Read through the following information before you commence your application.

To continue, please confirm the following:

- I confirm that I am not an Australian citizen, Australian permanent resident or New Zealand citizen.
- I am 18 years of age or older (or I have my parent's permission to apply).

Select the Yes tick box then click I am ready to apply!
