

How to Obtain Working with Vulnerable People (Children) Registration

Students intending to undertake professional experience placement (PEP) must obtain Working with Vulnerable People (Children) Registration. Registration is a legislated (**mandatory**) requirement for College of Health and Medicine students who undertake PEP as part of their course. There is capacity for **exemption** from registration in specific circumstances.

Working with Vulnerable People (Children) Registration Application (mandatory)

Please obtain registration via the guidelines below. Once registered, upload a scanned copy of your Working with Children Registration Card/Letter into [InPlace](#) to enable sighting and Verification by your Program PEP Administrator.

1 Tasmanian Students

Please Note: If you are an interstate student undertaking PEP in Tasmania (**for a period greater than 28 days per year**) you will require a Tasmanian Working with Vulnerable People (Children) Registration.

If you have an existing Tasmanian registration, please log in to your [My Registration](#) to renew, upgrade or check the status of your application. **Do not start a new application.**

To apply for a **new** Registration to Work with Vulnerable People (Children), go to the Tasmanian Government (*Department of Justice*) Consumer, Building and Occupational Services website at <https://www.cbos.tas.gov.au/topics/licensing-and-registration/work-with-vulnerable-people/applications/apply>.

Read and follow the instructions on that page and then click on **Start My Application** at the bottom of the page. If you have **current** Tasmanian Registration to Work with Vulnerable People (Children) (*Employee or Volunteer*) relating to your involvement with another 'Organisation', you can transfer the registration Organisation Name to the 'University of Tasmania - Health and Medicine'.

1.1 International Students Coming to Tasmania

As part of the application process above, international students coming to Tasmania are required to provide an original copy of their National Police Certificate (NPC) (translated into English) from their country of origin or the country they have resided in the last 12 months.

Applicants from overseas can complete the online Application for Registration to Work with Vulnerable People (Children) before coming to Australia and post or email their ID, photo and payment to the Department of Justice (within 20 days of completing the form or it will expire). See the Interstate and Overseas Applicants Checklist at: <https://www.cbos.tas.gov.au/topics/licensing-and-registration/work-with-vulnerable-people/applications/interstate-and-overseas-applicants>

Important Note:

In cases where a person cannot obtain a NPC from their country of origin for a genuine reason (e.g. the country won't provide it once they have left), the Department of Justice may accept Visa documents (copy) and a character reference letter supplied by someone the person has worked for or volunteered with in their country of origin.

Students in this case, or where their resident country process for providing a NPC takes quite some time, should proceed with the application and, once payment has been made, the Department of Justice will contact them to request additional documentation if/as required.

Once the application is completed and payment made, students can download the Supervised Employment Statutory Declaration form at: https://www.cbos.tas.gov.au/data/assets/pdf_file/0004/408064/Supervised-Employment-Statutory-Declaration.pdf. Completion of the Statutory Declaration form allows the students to undertake PEP under the supervision of a registered person until their Working with Children Registration is granted.
